### QUESTION NO 5

**By Councillor Orr for answer by the  
Leader of the Council at a meeting of  
the Council on 19 November 2015**

#### Question

The decision of the new capital coalition in 2012 to make a number of pledges and monitor the outcomes was widely welcomed, but a number of them are now out of date. Pledge 45 for example to “Spend 5% of the transport budget on provision for cyclists” is old news as the council are doing much more. Would it not be a good idea to revise a number of pledges to reflect the progress made in the last three and a half years so that the full potential of the five year council term can be optimised, especially as we approach its last year?
