**By Councillor Main for answer by the Convener of the Education, Children and Families Committee at a meeting of the Council on 15 December 2016**

#### Question

There are growing concerns in the school community about the pressures on support available to children with additional support needs who are in mainstream education. Pupils may require support for a range of reasons, including autism, disability and home language.

Would the Convener please provide for each year since 2012, the number of primary and secondary school pupils and that number as a percentage of total school roll who have additional support needs, excluding pupils whose first language is not English and who receive language support, for each school together with the numbers of audit hours given to each school to meet the needs of these children and young people.
