### QUESTION NO 7

**By Councillor Mowat for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 14 December 2017**

#### Question

In a response to my questions at The City of Edinburgh Council Meeting on 21<sup>st</sup> September about proposals for Low Emission Zones the Convenor replied “The Scottish Government has issued a public consultation document (Building Scotland’s Low Emission Zones). The Council is engaging in this consultation and a response will be considered by the Transport and Environment Committee in December”

No such report was provided to the 7<sup>th</sup> December Transport and Environment Committee – could the convenor inform Council when information on this matter will be reported to Council, either the council or an Executive Committee?
