

## Item no 5.9

### QUESTION NO 9

**By Councillor Lang for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 14 December 2017**

#### Question

In response to item 5.3 of the October 2017 meeting of Council, the Convener advised me that "there are a number of locations through the city which may be used as parking by the public and/or residents. We will work to provide a comprehensive list of these locations over the next couple of weeks."

Given that almost six weeks have passed and in the absence of any updates from officials, can the Convener advise when I am likely to receive this list?
