

Item no 5.4

QUESTION NO 4

**By Councillor Jim Campbell for
answer by the Leader of the Council
at a meeting of the Council on 1
February 2018**

Since May 2014, I understand there have been four instances of building failures in the school estate where the Council would self-fund maintenance. These involved ceilings or other building components falling to the ground, where the reasonably foreseeable worst-case injury could have been life threatening at: Boroughmuir High School, Broughton Primary School, St Catherine's RC Primary School and Tower Bank Primary School.

Can the Leader:

- | | | |
|-----------------|------------|--|
| Question | (1) | List the dates he first became aware of each failures listed? |
| Answer | (1) | |
| Question | (2) | Provide details of any other similar failures in Council buildings outside the School Estate? |
| Answer | (2) | |
| Question | (3) | Confirm if these failures should have been recorded as near misses? |
| Answer | (3) | |
| Question | (4) | Reassure this Council that the maintenance of all Council buildings is a priority and that good maintenance should remove any risk of injury due to Council Buildings failing? |
| Answer | (4) | |
