### QUESTION NO 6

**By Councillor Brown for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 15 March 2018**

Late evening on 13th October last year a lamppost and bus shelter was taken out by a joyrider on Drum Brae Drive and was reported on social media to @edinhelp the following morning whilst I attended my monthly surgery at the DrumBrae Library Hub.

I was advised on the very same Twitter account on 13th December when following this up, "Hi Mark. Your enquiry about the bus shelter has been logged under reference 1001637. Our Street Lighting Team is already aware of the damaged light and will repair it as soon as possible."

A further email to Street Lighting on 14<sup>th</sup> February has received no response.

Thankfully the bus shelter has now been fixed.

Just like the Constituents waiting on a bus there during the winter months, their local Councillor raising the matter has been left in the dark.

### Question

Can the Convener advise whether no action in some 5 months is deemed an acceptable standard for the Council and confirm when this street light will be made good?
