

## Item no 5.11

### QUESTION NO 11

**By Councillor Cook for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 3 May 2018**

- Question** (1) How many individual food waste bins were distributed to households for the first time, following introduction of food waste recycling in the city?
- Answer** (1)
- Question** (2) In total, how many requests have been received for replacement food waste bins each year since introduction, due to them being reported as broken, lost or stolen?
- Answer** (2)
- Question** (3) What cost has the Council incurred in issuing these replacement bins?
- Answer** (3)
- Question** (4) Is the Waste and Cleansing Department completely satisfied that the food waste bins issued are of a sufficient robustness and durability to provide quality and value to council tax payers?
- Answer** (4)
- Question** (5) If not, what action has been taken to investigate introduction of more robust and durable food waste bins to households across the city?
- Answer** (5)
