Item number 8.1

Report number

Executive/routine

Wards

Council Commitments

Executive Summary

This report proposes the introduction of Grant Standing Orders to provide guidance, controls and regulate the grant application and award process throughout the Council and on behalf of the Edinburgh Integration Joint Board (EIJB). The Scheme of Delegation to Officers is also proposed to be amended to implement the changes included in the Grant Standing Orders.

Grant Standing Orders and Scheme of Delegation to Officers

1. Recommendations

- 1.1 To approve the introduction of Grant Standing Orders and agree appendix one to this report to take effect from 14 December 2018.
- 1.2 To repeal the Scheme of Delegation to Officers and approve in its place appendix two, such repeal and approval to take effect from 14 December 2018.
- 1.3 To delegate authority to the Chief Executive to take such actions and make such minor adjustments to the documents set out in appendices 1 and 2 as may be necessary to implement the decision of the Council in relation to this report and to produce a finalised version of the documents.

2. Background

- 2.1 The Council currently distributes around £19million in the form of 335 grants including grant funding on behalf of the EIJB and service level agreements with Police Scotland and Marketing Edinburgh.
- 2.2 In March 2016 the Finance and Resources Committee agreed the recommendations in the report “Future Governance of Council Payments to Third Parties” in particular that the Transformation Programme Payments to Third Parties Workstream would in due course (i) be incorporated into the Commercial Excellence Programme and (ii) be managed by Commercial and Procurement Services (CPS) as from 2016/17.

3. Main report

- 3.1 As of 1 April 2016, the lead function for overseeing grant management arrangements transferred from the Strategy and Insight Division to the Finance Division, aligned to the Commercial and Procurement Services (CPS) team to sit alongside the proposed contract management team in procurement. Aligning the procurement of grants and contracts for the provision of community outcomes and related services allows for enhanced co-ordination of best practice, improved planning and avoiding duplication of effort across directorates.

- 3.2 Working together with Directorates, CPS have been developing best practice guidance for future grant funding. Significant improvements include a complete Council grants register which has been published on the Orb, standardised grant conditions insofar as appropriate, a recently established contracts and grant management team within CPS and the establishment of a bi-monthly forum, which includes Managers involved with grants.
- 3.3 While the Council has Contract Standing Orders, there are currently no Grant Standing Orders or Council wide rules addressing the use, procedures or assessment process for grants. There is little in the way of guidance for local authorities as to the distinction between a grant or a contract. The review of grant management identified a need for defining controls and a consistent Council approach to be developed. To assist with this, it is proposed Grant Standing Orders are introduced.
- 3.4 A key aspect of Grant Standing Orders will be to give clarity as to what will be seen and approved by Committee. They will provide guidance, and controls for the future regulation of the grant application and award process. It is hoped that Grant Standing Orders will help ensure robust performance from those receiving investment and provide for engagement with service users by the directorate commissioning teams to assist in the design and delivery of community outcomes that best address need.
- 3.5 A review of working practices has been ongoing since the start of 2017. Recommendations from Inspiring Scotland, EVOC and a Member Officer Short Life Working Group have also been reflected in the proposed Grant Standing Orders.
- 3.6 The following list of principles and process requirements have been included in the attached draft Grant Standing Orders which were published on the COMPACT website for comment.
- 3.6.1 guidance to assist the distinction between grants and contracts and how to choose which funding stream may be appropriate
 - 3.6.2 the principles of openness, transparency, integrity, fairness and best value to be explicitly embedded in the grant processes
 - 3.6.3 a commitment to co-production
 - 3.6.4 Council and EIJB priorities to be reflected in grant awards
 - 3.6.5 grant distribution across City based on need of provision which may differ between localities
 - 3.6.6 encouragement of financial sustainability by seek additional sources of funding where possible
 - 3.6.7 participatory budgeting
 - 3.6.8 the minimum requirement for grant agreements including proportionate financial assessments to mitigate, as far as is practicable, any potential

financial or service continuity risk to the Council consistent with the principle of following the public pound

3.6.9 roles and responsibilities

3.6.10 clarity as to Committee approval levels and levels of delegation to Directors including

3.6.10.1 the process for distributing grants where the grant fund exceeds £100,000 to be approved by Committee and

3.6.10.2 awards above £25,000 to be approved by Committee unless delegated by the Scheme of Delegation

3.6.11 monitoring and continuous improvement, including proportionate escalation of issues where these might arise

3.6.12 conflicts of Interest

- 3.7 It is anticipated that as with Contract Standing Orders the Grant Standing Orders will be reviewed annually. They will be revised as required to take account of emerging best practice and lessons learned. Continuous improvement will form a central thread of this best practice in building on the Grant Standing Orders as presented in this report.
- 3.8 The Scheme of Delegation is required to be amended to ensure that decision making powers are altered to take into account the changes proposed to the level of delegation outlined in paragraph 3.6.9 of this report.
- 3.9 Grants that are above the value of £25,000 will now be submitted to committee. This standardises the rules surrounding grants where currently there are different levels of delegation depending on the service that the grant is for. For example, there is unlimited delegation for the Executive Director of Communities and Families for grants to organisations involved in education but for young people services there is no delegation. Grant Standing Orders provides a consistent approach across the Council.
- 3.10 The one exception proposed is for those grants allocated by the EIJB. The EIJB is responsible for distributing grants but it is unable to formally allocate money to the successful applicants. On occasions when the City of Edinburgh Council distributes grants on behalf of the EIJB, it is proposed that the Chief Officer is delegated the authority to implement the decisions of the EIJB. The Chief Officer will be accountable to the Council when taking these decisions.
- 3.11 In addition, and not connected to the changes required by the Grant Standing Orders, the Regulatory Committee on 22 October 2018 recommended that the Scheme of Delegation was amended to provide authority to the Executive Director of Place to approve the installation of Admats and to make the necessary variation to the standard conditions of licence.

4. Measures of success

- 4.1 The successful implementation of Grant Standing Orders across the Council.

5. Financial impact

- 5.1 There are no direct financial impacts as a result of this report. The introduction of Grant Standing Orders is expected to support the delivery of best value.

6. Risk, policy, compliance and governance impact

- 6.1 The Grant Standing Orders will improve transparency of process, consistency and improve the governance of grant awards.

7. Equalities impact

- 7.1 There are no equalities impacts as a result of this report.

8. Sustainability impact

- 8.1 There is no sustainability impact as a result of this report.

9. Consultation and engagement

- 9.1 The Grant Standing Orders were prepared in consultation with a wide range of officers involved in the assessment and management of grants across all service areas of the Council. Feedback from the third sector, third sector representatives and independent third parties have been incorporated and the current version has been published on the third sector COMPACT website for comment and feedback. Elected members, including the Convener and Vice Convener of the Finance and Resources Committee, were consulted on the proposed version in advance of the preparation of this report.

GRANT STANDING ORDERS

13 December 2018

Introduction

These Grant Standing Orders of the City of Edinburgh Council ("Council") apply from 13 December 2018 and apply (with certain exceptions) to all grants made by or on behalf of the Council including grants made in accordance with directions to the Council by the Edinburgh Integrated Joint Board (EIJB).

1 Explanatory Note – What are Grants?

1.1 Grants are financial **contributions** to a third party which help to meet the Council's Business Plan objectives in the wider community.

1.2 The European Procurement Directive states that properly constituted grants will not normally be subject to the procurement rules: -

“the mere financing, in particular through grants, of an activity, which is frequently linked to the obligation to reimburse the amounts received where they are not used for the purposes intended, does not usually fall within the scope of the public procurement rules (“Preamble 4 of the Public Procurement Directive)

1.3 The following characteristics will normally help determine whether a grant is the suitable funding route:-

1.3.1 it should not be for critical service requirements or those the Council has a statutory responsibility to deliver, grant funding is for discretionary objectives

1.3.2 funds will normally be given subject to desired outcomes being met but the Council will not normally receive services

1.3.3 the Council is providing funding to support activities that will help it to meet its commitments to the City and where the organisation does not have sufficient resources to deliver those activities on a self-sustaining basis itself

1.3.4 a grant will normally be out with the scope of VAT and procurement.

- 1.4 There is no financial threshold above which a grant becomes a contract but if the investment is significant this may reflect a significant need in which case greater control and/or a more defined specification may be advisable.

2 General Principles and Application

- 2.1 The Edinburgh Compact Partnership's principles of openness, transparency, integrity, fairness, mutual respect and accountability will apply to all decisions on the provision of grant funding.
- 2.2 Grants are subject to the requirements to secure Best Value.
- 2.3 The Council is committed to the principles of collaboration and co-production. Co-production means the real and meaningful involvement of the citizens of Edinburgh and recipients of services in delivering better outcomes. Grant recipients shall be encouraged to communicate effectively and to work together with recipients of services and communities of interest to achieve improved outcomes.
- 2.4 The Council is committed to ensuring grant funding is outcome driven, accessible and transparent, supporting innovation and projects that meet the needs of the citizens of Edinburgh.

3 Procedures

- 3.1 Unless otherwise agreed by the Council, the Edinburgh Integration Joint Board (EIJB), or relevant Council Committee (each as appropriate), the process for awarding a grant which exceeds £25,000 shall be open to all eligible applicants. In certain circumstances, a restricted process i.e. restricted to existing grant recipients may be appropriate but must be agreed by the Council, the EIJB or relevant Council Committee (each as appropriate) in advance.
- 3.2 Allocation and subsequent use of grant funding must reflect the priorities of the Council its subsidiaries and partners and where appropriate the EIJB, in particular
- 3.2.1 the commitments, strategic aims and outcomes of the Council's Business Plan 2017-2022

- 3.2.2 the Strategic Plan for the EIJB
 - 3.2.3 the City Plan 2030 and the relevant local plan
 - 3.2.4 the objectives of the Council's Culture Plan.
- 3.3 The EIJB may direct the Council to fund such NHS and Health and Social care priorities as it may determine appropriate subject to funding being made available.
 - 3.4 The distribution and allocation of grant funding should be prioritised based on an assessment of need where applicable.
 - 3.5 Participatory budgeting may be used to allow the local community or community of interest to decide on the distribution of grant funding or outcomes.
 - 3.6 All grants paid should have specific grant agreements in place which should be suitable and proportionate to the level of funding and reflect the activities and outcomes to be delivered.
 - 3.7 Grant agreements should detail as a minimum: what the grant is being given for (measurable outcomes, impacts, outputs or activities), how long the grant period relates to, the amount being paid, dates of payment and payment process, terms for repayment of any unspent grant and the requirements to provide regular reports and allow for site visits.
 - 3.8 Grant agreements shall require the grant recipient to comply with applicable legislative requirements, be properly constituted, have in place proper employment recruitment and selection practices, carry out disclosure checks where appropriate, comply with all equal opportunities requirements and encourage payment at the current Living Wage rate.
 - 3.9 Grant applicants shall be required to report on the achievement of outcomes, impacts, outputs and/or activities to which the grant relates. The frequency and detail of which may vary depending on the value of the grant. Confirmation of achieving outcomes, impacts, outputs or carrying out of activities and the spend to date may be required before any future payment is released.

4 Roles and Responsibilities

- 4.1 For each grant the relevant Executive Director or the Chief Officer of the EIJB shall appoint a Grant Monitoring Officer to set targets, to oversee the process, manage any issues with individual recipients and ensure outcomes are achieved and managed.
- 4.2 Grant Management arrangements shall be overseen by Commercial and Procurement Services working together with Strategy and Communications and Directorates/Divisions to allow for co-ordination of best practice and planning. Each Executive Director has responsibility for all grants awarded by their Directorate and is accountable to the Council for the performance of their duties in relation to grant award and management which are: -
 - 4.2.1 to ensure compliance with these Grant Standing Orders
 - 4.2.2 to adhere to the Council's commitment to co-production
 - 4.2.3 to take all appropriate measures to prevent, identify and remedy conflicts of interest arising in the assessment of grant awards and to ensure equal treatment of grant applicants
 - 4.2.4 ensure that the grants register is updated within 28 working days following the issue of a grant award letter and in any event prior to the start date of the grant
 - 4.2.5 to enter the required purchase order information onto the relevant Council financial system prior to the grant award being paid

5 Assessment Process

- 5.1 For Grant applications where the total exceeds or may exceed £25,000
 - 5.1.1 the application shall be assessed and evaluated by more than one Council officer or a peer group panel in addition to the Grants Monitoring Officer

- 5.1.2 the applicant organisation should be able to demonstrate their links or proposed links to the relevant community of interest and the local business plan.

In addition to 5.1, for Grant programmes for which applications are invited which exceed or may exceed £100K in total the process to determine successful grant applicants shall be determined by the relevant Council Committee or the EIJB (each as appropriate) and the successful applicants shall be reported back to that Committee for approval unless otherwise delegated in accordance with the Scheme of Delegation.

6 Funding and Sustainability

- 6.1 To encourage the future financial sustainability and diversity of funding sources, applicants should be encouraged where possible to seek and secure alternative sources of funding in addition to Council or EIJB funding.
- 6.2 The Council will not normally provide more than 95% of an organisations turnover in grant funding.
- 6.3 Prior to any award of a grant exceeding £25,000 the applicant organisation shall be assessed by Finance to assess the sustainability of the organisation.

7 Award of Grants

- 7.1 Subject to 7.3, the award of Council grants in excess of £25,000 shall be subject to the approval of the relevant Council Committee or the designated proper officer as the Council delegates in the Scheme of Delegation.
- 7.2 The relevant Committee or designated proper officer under the Scheme of Delegation may
- 7.2.1 approve the recommendations
 - 7.2.2 approve the recommendations subject to approved amendments
 - 7.2.3 reject the recommendations

- 7.3 Community Grants shall be subject to the approval of the relevant Locality Committee

8 Declaration of Interest

- 8.1 The Councillors' Code of Conduct set by the Standards Commission for Scotland (Code of Conduct) defines membership or holding office in a company, club or voluntary organisation as a declarable non-financial interest.
- 8.2 It is the responsibility of the individual elected member to make a decision about whether a declared interest prevents them taking part in any discussions or voting. Regard should be had to the terms of the Code of Conduct and advice should be sought from appropriate senior Council employees where there is any doubt. The objective test as set out in the Code of Conduct will apply, i.e. whether a member of the public, with knowledge of the relevant facts, would reasonably regard the interest as so significant that it is likely to prejudice an elected member's discussion or decision making in their role as a councillor.

9 Monitoring and Continuous Improvement

- 9.1 The relevant Executive Director or the Chief Officer of the EIJB may require a grant recipient to take appropriate advice on its actions and to make frequent monitoring reports to the Council on such matters as: income, expenditure, profitability, liquidity and other financial matters; achievement of targets; and future plans.
- 9.2 Regardless of representation on committees or boards, Executive Director or the Chief Officer of the EIJB shall require grant recipients in excess of £25,000 to provide an annual financial and performance report.
- 9.3 Where the annual award of grant exceeds £25,000 the grant Monitoring Officer shall hold an annual review meeting with the grant recipient to review such matters as attendance, service user levels, the current financial position and whether agreed targets and outcomes have been achieved
- 9.4 A clear escalation process shall be established in relation to governance issues should they arise.

- 9.5 The relevant Executive Director or the Chief Officer of the EIJB shall require grant recipients to provide a right of access to relevant records, and, if appropriate the accounts and financial arrangements of the grant recipient so that they may be properly audited if required.

10 Review of Grant Standing Orders

- 10.1 These Grant Standing Orders shall be reviewed annually.

CITY OF EDINBURGH COUNCIL
SCHEME OF DELEGATION TO OFFICERS

GENERAL

- 1.1 This Scheme of Delegation to Officers ("**Scheme**") applies from ~~29 June~~^{14 December} 2018 and sets out the powers delegated by the City of Edinburgh Council ("**Council**") to officers, pursuant to the Local Government (Scotland) Act 1973. The Scheme is intended to facilitate the efficient conduct of Council business by clearly setting out the nature and extent of the powers delegated to officers by the Council.
- 1.2 The powers delegated to officers in terms of this Scheme are subject to change by act of Council in accordance with the Standing Orders of the Council.
- 1.3 The Local Government (Scotland) Act 1973 requires the Council to maintain a list specifying those powers which are exercisable by officers, and stating the title of the officer who exercises that power. The lists of powers are set out in this Scheme.
- 1.4 In this Scheme:
- (a) a reference to "**Executive Director**" means any of the Executive Directors of the Council or the Chief Officer - Edinburgh Health and Social Care Partnership (and "**Executive Directors**" shall be interpreted accordingly);
 - (b) a reference to a statute or statutory provision:
 - (i) is a reference to it as amended, extended or re-enacted from time to time; and
 - (ii) shall include all subordinate legislation made from time to time under that statute or statutory provision;
 - (c) any reference to this Scheme shall include the appendices to the Scheme ("**Appendices**" and each an "**Appendix**");
 - (d) a reference to "**Council Policies**" shall include all and any policies approved by the Council from time to time (and "**Council Policy**" shall be interpreted accordingly);
 - (e) references to paragraphs are to paragraphs of this Scheme; and

- (f) headings are for convenience, do not form part of this Scheme and shall not be used in its interpretation.

Principles of delegation

- 1.5 Officers to whom power is delegated in terms of this Scheme must exercise their powers in accordance with the following principles:
 - (a) the decision or action must not be a matter ("**Reserved Matter**"):
 - (i) reserved by law to the Council or a Committee or sub-committee of the Council ("**Committee**"); or
 - (ii) that the Council or a Committee has expressly determined should be discharged otherwise than by an officer;
 - (b) the decision or action must not alter or be contrary to law or to policy set by the Council and its Committees;
 - (c) the decision or action must be taken in accordance with the Council's Standing Orders as amended from time to time;
 - (d) the decision or action must be taken in accordance with the Financial Regulations and Corporate Debt Policy as amended from time to time and comply with the financial limits set out in those documents;
 - (e) the financial consequences of the decision or action must be contained within the budget approved by Council for the financial year in question;
 - (f) the decision or action must not give rise to a conflict of interest as set out in the Council's code of conduct for employees; and
 - (g) elected members must be appropriately consulted and, in particular, officers must comply with the provisions of paragraph 2 of this Scheme.
- 1.6 If there is a question or dispute on whether a decision taken or proposed to be taken by an officer contravenes the provisions of this Scheme, it will be decided by the Chief Executive in consultation with the Leader of the Council (or the deputy Leader if the Leader is absent).
- 1.7 Each Executive Director and Head of Safer and Stronger Communities/CSWO shall have authority to take all decisions or actions necessary to implement a policy approved by or a decision previously taken by

the Council or a Committee or which facilitate or are conducive to the implementation of such a policy or decision.

2. CONSULTATION WITH ELECTED MEMBERS

Politically controversial matters and material decisions

- 2.1 Where a decision or action proposed to be taken under delegated powers is likely to be regarded as politically controversial or is a decision ("**Material Decision**") that will have or is likely to have:

- (a) a significant effect on financial, reputational or operational risk; and/or
- (b) a significant impact on service delivery or performance;

the appropriate elected members will be consulted before any decision or action is taken. Appropriate elected members will include the relevant convener or vice-convenor(s) and, where appropriate, the Leader and/or deputy Leader.

Local Members

- 2.2 Where a decision or action relates to a particular ward or wards (and not to the whole area of the Council) and is likely to directly affect the ward interests of a local member or members, those members will be consulted before any decision or action is taken (save in the case of matters of a routine or confidential nature).

Responsibility to inform

- 2.3 It is the responsibility of the Chief Executive, relevant Executive Director or Head of Safer and Stronger Communities/CSWO to keep the elected members of the Council appropriately informed about activity arising within the scope of the delegated authority under this Scheme.

Reports

- 2.4 The Council or any Committee may require the Chief Executive, Executive Directors or Head of Safer and Stronger Communities/CSWO to submit reports on the decisions taken and action authorised by them under delegated authority. The Chief Executive or relevant Executive Director shall submit a report in relation to any Material Decision to Council or the appropriate Committee.

3. **DELEGATION**

Delegated authority

- 3.1 The Council delegates authority for certain powers or functions to the Chief Executive, Executive Directors and heads of service as detailed in this Scheme.
- 3.2 In the event that the Chief Executive, Executive Director or Head of Safer and Stronger Communities/CSWO is unavailable, his/her deputy or the head of the relevant service will have delegated authority to take urgent decisions in the absence of the Chief Executive or Executive Director.
- 3.3 The Chief Executive, Executive Directors or Head of Safer and Stronger Communities/CSWO may sub-delegate their delegated powers to their deputy or head(s) of service or such other officer(s) in their service area as they may consider appropriate. Each officer to whom powers are delegated may sub-delegate to such other officers in their service area as they may consider appropriate. This will be in each case the officer of an appropriate level of seniority who is most closely involved with the matter in question. The Chief Executive and Executive Directors will remain accountable for decisions taken by their sub-delegates.
- 3.4 Sub-delegation of functions by any officer to another officer in accordance with this Scheme will not prevent the officer from whom the authority is being delegated from also discharging those functions.
- 3.5 Where authority has been sub-delegated by one officer to another in accordance with this Scheme, such authority can be revoked at any time without prejudice to any previous decisions made under that authority.
- 3.6 Certain functions ("**Statutory Functions**") must, by law, be carried out by certain statutory officers. The Council delegates authority to those statutory officers ("**Statutory Officers**") to carry out the Statutory Functions. A list of the Statutory Functions and the Statutory Officers can be found in Appendix 8.
- 3.7 The authority delegated to the Chief Executive and Executive Directors in terms of this Scheme shall not include any Statutory Function, which shall be exercised by the appropriate Statutory Officer.
- 3.8 Legislation requires that certain functions be exercised by a "**proper officer**". This Scheme sets out Council officers who are designated as proper officers in relation to particular functions. An officer who is designated as a proper officer by this Scheme may also designate in writing other officer(s) in his or her service

area to exercise his or her functions as proper officer. Such designation can be revoked at any time by the designating officer without prejudice to any previous actions taken under that designation. Designated proper officers are set out in paragraph 5 of Appendix 1, paragraph 21 of Appendix 7 and in Appendix 9.

- 3.9 Appropriate records must be kept of any sub-delegations of powers made under the Scheme.

Material Decisions

- 3.10 Notwithstanding the terms of any delegation of authority to Executive Directors or other officers in terms of this Scheme, all Material Decisions shall be taken in consultation with the Corporate Leadership Team ("**CLT**"). It is intended that this will engender greater transparency; foster a collegiate culture of collective decision-making among chief officers; and ensure proper corporate oversight, scrutiny and challenge of Material Decisions.
- 3.11 It is the responsibility of each Executive Director, Head of Safer and Stronger Communities/CSWO or other officer to whom powers are delegated to consider whether a decision or action in relation to a matter delegated to him/her is a Material Decision and in the case of an officer other than an Executive Director, to bring it to the attention of the relevant Executive Director or Head of Safer and Stronger Communities/CSWO. The relevant Executive Director or Head of Safer and Stronger Communities/CSWO will bring any Material Decision to the next available meeting of the CLT.
- 3.12 In the case of any Material Decision that relates to a Statutory Function, the provisions of paragraphs 2.1 and 3.12 of this Scheme shall be without prejudice to the legal duties and responsibilities of the relevant Statutory Officer.
- 3.13 The provisions of paragraph 3.12 of this Scheme shall be without prejudice to the principles of delegation set out in paragraph 1.5 of this Scheme and the requirement to consult with elected members set out in paragraph 2.1 of this Scheme.

Major Projects

- 3.14 The following projects ("**Major Projects**") shall be dealt with as set out in paragraph 3.15 of this Scheme:
- (a) any project which has an estimated value of £5 million or more; or
 - (b) any other corporate project the Chief Executive shall, in consultation with the CLT and the Convener or vice-Convener of the Finance and Resources Committee, so designate.
- 3.15 In order to ensure effective governance and delivery of Major Projects, the Head of Strategy and Insight will make arrangements to:
- (a) oversee all Major Projects to ensure they are initiated appropriately, and independently assess elements of the Major Projects including:
 - (i) options appraisal;
 - (ii) affordability;
 - (iii) implementation;
 - (iv) resource planning;
 - (v) sustainability;
 - (vi) equalities;
 - (vii) environmental impact; and
 - (viii) stakeholder engagement;
 - (b) provide ongoing support to Major Projects through key stage or gateway reviews, management dashboard reporting, post completion reviews and tracking benefits realisation; and
 - (c) update the CLT and the Finance and Resources Committee on the status and progress of Major Projects.

Contracts Standing Orders

- 3.16 Any officer to whom relevant authority is delegated in terms of this Scheme must comply with the terms of the standing orders and have regard to the Council's procurement handbook which apply to all contracts made by or on behalf of the Council for the procurement of the execution of works, the supply of goods and materials to the Council and/or for the provision of services ("**Contract Standing Orders**").

4. DELEGATION TO CHIEF EXECUTIVE

- 4.1 As head of paid service the Chief Executive has overall responsibility for the corporate management and operational functions of the Council that are delegated to officers under this Scheme. The Chief Executive is authorised to discharge any function or exercise any power delegated to any officer under this Scheme.
- 4.2 In addition, the Council authorises the Chief Executive to:
- (a) take action to ensure that the Council's responsibilities and duties under the Civil Contingencies Act 2004 and other emergency planning, business continuity and resilience legislation are discharged;
 - (b) take any urgent action necessary in the event of a civil emergency, business continuity or resilience incident;
 - (c) act as Returning Officer for local government elections, Westminster elections, Scottish Parliament elections, European elections and Business Improvement District elections under sections 25 and 41 of the Representation of the People Act 1983;
 - (d) act as Counting Officer for referendums held in terms of the Political Parties, Elections and Referendums Act 2000;

- (e) perform the Council's functions under the Regulation of Investigatory Powers (Scotland) Act 2000 and the Regulation of Investigatory Powers Act 2000 in accordance with Council policy, including:
 - (i) appointing authorising officers;
 - (ii) authorising directed surveillance or the use of a covert human intelligence source which involves the likelihood of obtaining confidential information; and
