Subject: Deputation request for C&F Committee Tuesday 21st

Morris,

I would like to request a deputation slot for the Education Children & Families meeting on Tuesday 21st of June.

The deputation is in regard to agenda item 19 "Community Access to Schools – the way forward".

I believe that the committee should be made aware of the broader Community Access to Schools issues that are not addressed within the report and they should be made aware of the full implications of approving the report as it stands.

I would be most grateful if you could acknowledge receipt of this request and inform me of the process from here i.e. when and how will I know if my request is granted and what the proper procedure is on the day.

Best regards,

John
