Item 7.6 – Child Poverty – School Uniform Grant

Add recommendation 1.7:

- 1.7 Notes the Child Poverty Action Group estimate of £129.50 for school clothing and associated items and agrees a further report for Education, Children and Families meeting in May looking at options for and costs associated with meeting that higher figure, including discussions with schools and Scottish Government on the extent to which a small part of Pupil Equity Funding could be earmarked for further support for school clothing in line with the core aims of PEF.

Item: 7.7 – Teacher Recruitment Update

Committee:

Notes the inability to track applications using the myjobscotland website and the challenges of canvassing without consent in the light of forthcoming GDPR compliance and asks officers to instead look to replicate the successful opt-in Supply Teacher talent pool (referenced in 3.4) for longer term vacancies; allowing the Council the opportunity to make sure all qualified participants were being made aware of vacancies.

Item 7.10 – Holiday Activity Programme for Disabled Children and Young People

To request officers draft a report on the feasibility and financial implications of providing a 6 week allocation for families using the holiday playscheme in the current context.

To note that the development of options for the future of the holiday playscheme is being considered by the member/officer working group in consultation with parents. This is part of wider engagement with parents and an outcome report will be submitted to Committee.
