Subject: Deputation Request

Dear Sir/Madam,

I would like to request that Unite have a slot to present a deputation to F&R on Thursday 26th Nov at 10am.

We do not intend to make a long presentation however we do wish to present something in relation to Items 7.1 and 7.2.

I would be happy for this deputation, as it will not be long, to be put together with the UNISON deputation, if that is agreeable with all colleagues.

Best,
Peter
