Item 3.2(a)

Subject: RE: Deputation Request - Finance and Resources Committee - Tron Kirk

Dear Veronica

Thank you for your email. I wish to make a deputation to the Finance and Resources Committee on the 18th August on behalf of Edinburgh World Heritage, with the aim of explaining the background to the organisation's current position with the Tron Kirk. I might submit a short briefing note as an aide-memoire for councillors which would cover EWH's activities and investment to date, and note the wider outcomes of the project.

With every good wish,

Adam
