Recent news	Background
<p>Internal Audit Annual Plan 2019/20 – To request an update on the Business Bulletin on how to improve the working relationships with the Third and Independent sectors.</p> <p>The EIJB membership was set up to gain a wide range of views across the third and independent sector. EVOC are a non-voting member on the board and provide the third sector interface to the work of the EIJB. There are two citizens / services user and two carer representatives that are also non-voting members and they bring both a service user and carer perspective to the work of the EIJB in planning the future of health and social care services in Edinburgh.</p> <p>Work is also developing as part of the Partnership’s change programme to include a wide range of third and independent sectors on the programme boards which will help the</p>	<p>Contact: Judith Proctor, Chief Officer</p>

Partnership shape and redesign services in a more collaborative way.

The Governance Relationship between the Council and the EIJB – To request details on the Ministerial Strategic Group for Health and Community Care – Review of Progress with Integration of Health and Social Care and the IJB Governance review

A report on the Ministerial Strategic Group (MSG) for Health and Community Care went to the IJB on 29 March and can be found [here](#) and a further report will come back to the EIJB in June outlining the actions being taken forward in support of the recommendations in the MSG report.

Forthcoming activities:
