From Wikipedia

The 2010 mid-year population estimates, Edinburgh had a total resident population of 486120

486120 divided by 1882 is one licence for every 258 people

The number of visitors attracted to Edinburgh for the Festival alone is roughly equal to the settled population of the city.

National Statistics 2009 estimate Edinburgh has over 1 million visitors a year second only to London as a destination in the UK.
