### **Agenda**

1. **Apologies** - Please see above.
2. **Minutes of Last Meeting** - No Issues.
3. **Update on overprovision:** Nick Smith & Loraine Duckworth- ML, IDB, JM state data out of date, recommend present to board when up to date evidence available. DB states beneficial to push overprovision with newly elected board as major issue with overprovision- all in agreement. Impulse buying (RC) & pricing (RM) also heavily affecting overprovision and issues to take forward. RM suggests inadvertently influencing pricing through availability.
4. **Update re: Music is Audible** – NF states board agreed to consult on audible condition. 12 week consultation.
5. **Standing Item: report from Licensing Inspector-** DB asked Forum to consider looking at trial breathalysing at doors of big nightclubs to prevent crime & disorder. Forum happy with idea & DB happy to continue item. DB also gave information on a planned 'proxy purchasing' operation,
6. **DONM-** Tuesday 28<sup>th</sup> June 2016, 14:00.
