Report

Agenda Planning

2. Executive Summary

- 2.1 This report and the scheme of committee document (appendix 1 of this report) provides the Committee with an overview of the proposed agendas for future meetings of the Pensions Committee and Pensions Audit Sub Committee. It also provides a more general overview of the current cycle of papers for those committees.
- 2.2 There will, of course, be specific matters and papers which need to be brought to attention of the committees in addition to those set out herein.

3. Background

- 3.1 In order for the Committee and Pension Board to gain an overview of the content of future meetings, it was agreed that an agenda planning document be submitted each quarter.
- 3.2 Committee meetings are held on a quarterly basis and the Audit Sub Committee meetings are generally held three times a year.

4. Main report

- 4.1 The proposed agendas for the next two meetings are therefore set out below, based on the usual Committee cycle plus any additional and intra-cycle requests.
- 4.2 The Statement of Investment Principles paper, scheduled for June 2019, has been postponed allowing for the outcome of the Joint Investment Strategy Panel meeting in June to be included.
- 4.3 Similarly, following FCA's determination upon LPFI Limited's application for extended permissions, the updated investment collaboration business case will be reported to the next meeting of the Committee as a private agenda item. This was considered by the boards of LPFE Limited and LPFI Limited in May 2019.

5. Next Steps

5.1 None.

6. Financial impact

6.1 None.

7. Stakeholder/Community Impact

7.1 The Pension Board, comprising employer and member representatives, is integral to the governance of the pension funds and they are invited to comment on the relevant matters at Committee meetings.

7.2 There are no adverse health and safety, governance, compliance or regulatory implications as a result of this report. The forward planning of the Committees' agendas should facilitate improved risk management and governance for the pension funds.

7.3 There are no adverse sustainability impacts arising from this report.

8. Background reading/external references

8.1 None.
