8. Taxi and Private Hire Car Drivers Disqualified from Driving or Who Otherwise Cease to Hold a Valid Driving Licence

The Council's position was clarified with regard to Sections 13(3) and (6) of the Civic Government (Scotland) Act 1982, specifically with regard to the status of a Taxi or Private Hire Car (PHC) Driver's licence in circumstances where licence holders were disqualified or otherwise ceased to hold a valid driving licence. This position would have a direct impact on any licence holder whose driving licence was revoked or suspended by DVLA or who was banned from driving by the courts.

- 1) To note that in accordance with the requirements of Section 13(3) of the Civic Government (Scotland) Act 1982 ('the 1982 Act') in relation to taxi and private hire car drivers' licences, as a Licensing Authority, the Council could not grant any new licence unless the applicant had held their driving licence continuously for the 12 months immediately prior to the date of application.
- 2) To note there was no discretion under the legislation, and therefore any application which did not meet this requirement would be refused under existing delegated powers.
- 3) To note the current approach of the Council in interpreting the legislation and considering applications for licence was as set out in this report.
