Item No. 3.2

Hi Rhona/Veronica

Thanks for this.

We would like to make a deputation on 19th March to the Transport and Environment Committee. The deputation will speak in support of the report being tabled entitled 'Kirkliston Public Transport' (or similar). John Cross will be the only representative of Kirkliston Community Council in attendance, and given your packed agenda we would be willing to reduce our pitch to 5 minutes or less.

Let me know if you need further information.

Thanks and regards

Mark Elder
