Local Community Plans 2014-2017

On 23 September 2014 the Communities and Neighbourhoods Committee considered a report providing details of engagement activity involving the communities of Edinburgh to inform development of new local community plans for 2014-2017.

The recently approved [‘Consulting Edinburgh’](#) framework informed the approach.

The local community plans set out the ambitions for each neighbourhood, identifying outcomes, measures and multi-agency action needed to make change happen.

The Communities and Neighbourhoods Committee agreed:

- To note the engagement activity of Neighbourhood Partnerships in developing new local community plans for 2014-2017.
- To agree to receive further reports on the Neighbourhood Partnership local community plans and the new public performance framework at the Communities and Neighbourhoods Committee on 25 November 2014.
- To refer the report to other Executive Committees of the Council for information.
