9. Motions

- 9.1 Velocity Road Repairs – Motion by Councillor Mowat

"Committee:

Notes that Edinburgh's roads continue to suffer from potholes and cracked surfaces and that this is a concern to all road users and especially cyclists and asks officers to consider how the Velocity pothole repair system which provides a cost effective, greener, faster permanent could contribute to the Council's road maintenance programme.

Calls for a report to committee in one cycle."

- 9.2 Pentlands to Portobello Cyclepath and Walkway – Motion by Councillor Robson

"Committee welcomes the proposal by Friends of Burdiehouse Burn Valley Park to create a joined-up cycle path and walkway from the Pentlands to Portobello drawing inspiration from the Water of Leith Walkway. Discussions on proposals for housing at Moredun and Burdiehouse within the Local Development Plan prompted the Friends Group to look at the opportunity to create new links and public spaces along the burn that runs through the park and on to Portobello.

Committee notes the positive initial interest in the initiative from local ward councillors, Edinburgh and Lothians Greenspace Trust, Portobello Community Council and Spokes. Committee further notes the intention to set up a local working group to bring all interested parties together.

Committee instructs a report to go to the Transport and Environment Committee to consider the approximate costs and potential sources of funding for such an initiative."
