

Dear Stuart

Friends of the Meadows & Bruntsfield Links are preparing a deputation to attend the next meeting of the T & E Committee, which I understand is due to take place on 26 August. However, I can find no agenda on your website. When is it likely to be published? And what procedure do we need to follow to be allowed to present our deputation?

I seem to remember from last time that deputations are allowed 10 minutes: can you confirm this, please?

I should be grateful for your help.

Best wishes
