15	17 May 2018	Decriminalised Traffic and Parking Enforcement in Edinburgh	1)	To agree nonetheless that there were significant existing powers that could be used to tackle the problem of pavement parking, not least the installation of physical barriers such as Sheffield racks at the edge of footways which also provided cycle parking, as undertaken by Wandsworth Council and others, and to agree that similar measures should be introduced in Edinburgh.	Executive Director of Place Lead Officer: Ewan Kennedy, Service Manager – Transport Networks 0131 469 3575 ewan.kennedy@edinburgh.gov.uk	December 2018		Closed on 28 February 2019 A report was considered by TEC on 6 December 2018.
			2)	To agree to receive a further report within two cycles examining the issue of parking enforcement in more detail, and specifically outlining options to address the following issues:		December 2018		Closed on 28 February 2019 A report was considered by TEC on 6 December 2018.
			a)	that members of the public would like a				

quick, real-time method to report parking violations that could swiftly be passed to parking attendants for possible enforcement action, should they be in the area;

b) that while council policy was currently to give those parking in contravention of the rules a 'grace period' of 5 minutes for cars and 10 minutes for commercial vehicles, nonetheless to examine whether this grace period was appropriate in all circumstances and specifically to examine whether the grace period could be shortened in areas of persistent parking violations;

c) that, where there were no valid lines and signs, the parking enforcement

			<p>contractor could not operate, and therefore reviewing the timetable for installing new lines and signs when they were required; and</p> <p>d) that while some drivers regarded the cost of a parking ticket as a reasonable price to pay for the ability to park in the city centre, the majority did not want their vehicle to be towed, and therefore to agree to consider increasing the capacity to tow vehicles to the pound, and tightening the rules which allowed this to be done.</p>				
			<p>4) To agree to undertake traffic monitoring of these changes and report back to committee 6 months after opening, via the business bulletin.</p>		September 2019		

16	31 May 2018	Motion by Councillor Mary Campbell - Edinburgh's Coastline - Protecting and Enhancing our "Blue Belt" (to Council)	<p>"Council:</p> <ol style="list-style-type: none"> 1) believes that as a capital city we benefit from both our historic city centre, and also our beautiful coastline. Our coastline has many highlights, from the sandy beach of Portobello, to the sea life-rich rocks in the Forth, and the stunning views from the promenade at Cramond; 2) notes that, as a council we invest a lot of time and effort into our city centre, for the benefit of both residents and visitors. Council believes that a similar level of effort should also be applied to our coastline, to ensure that we are preserving and enhancing the wide variety of historic and environmental features that make our coastline so special, 	Executive Director of Place	June 2019		This work is being progressed by the Planning service.
----	-------------	--	--	-----------------------------	-----------	--	--

and to enhance residents' access to our coastline by creating a continuous active travel promenade from Joppa to South Queensferry.

- 3) notes that the council has undertaken some work to pursue this agenda, both separately and in co-operation with partners, including production of the Edinburgh Promenade Design Code and SESTRAN studies on cross-boundary cycle development; that some off-road cycle/footpath links have been identified in the LDP but notes that that progress to deliver on this work has been a little sporadic;
- 4) further notes that some council partners including the Scottish Wildlife Trust and

Royal Botanic Gardens have projects to enhance & preserve the natural heritage and biodiversity of our coastline;

- 5) Therefore agrees to receive a scoping report, which covers work to date, work currently in train, and the scope of work which needs to be undertaken in the future. This should report within two cycles to be brought to the Transport and Environment Committee, and should include options for political governance of the work.
- 6) notes that residents and businesses have already been working hard to protect and enhance the coastline, and any strategy should include a clear mechanism for

			engaging with all key stakeholders.”				
17	9 August 2018	Public Transport Priority Action Plan	1) To note that a further report would be submitted which outlined longer-term intervention measures to relieve congestion on the A90.	Executive Director of Place Lead Officer: Ewan Kennedy, Service Manager – Transport Networks 0131 469 3575 ewan.kennedy@edinburgh.gov.uk	June 2019		An update report will be brought to TEC in June 2019.
			2) To note that a further report would be submitted, which listed bus lane locations where it was proposed that automatic camera enforcement should be deployed.				Closed on 6 December – this was included in the Business Bulletin for October 2018.
			3) To approve the recommendation of a desired spacing of 400 metres between bus stops and that existing corridors were reviewed to determine how this spacing could be achieved, whilst recognising equalities issues raised by this and that a full public consultation would be		On-going		

carried out on any proposed changes, with a consultation report returning to the Committee to seek approval for changes to bus stop locations.

4) To note that the Committee did not believe that paragraphs 3.59 - 3.71 of the report by the Executive Director of Place sufficiently addressed the issues raised in the Council motion on Dalmeny Station and therefore, to agree to provide a Business Bulletin update within one cycle to allow further discussions to take place with Ward Councillors and the local Community Council from which a more detailed action plan should be

Closed on 6 December – this was included in the Business Bulletin for October 2018.

			developed.				
			<p>5) To note the request by bus operators to extend the hours of operation of bus lanes, and therefore approves the commencement of consultation on extending operational hours to 0700-1900, seven days per week, and extending restrictions on parking and loading/unloading to the same hours, and that this consultation should also consider what support might be possible for businesses affected by this change, including but not restricted to the possibility of allowing some off-peak parking and loading in specific, limited locations.</p>		On-going		

18	9 August 2018	Workplace Parking Levy Scoping	1) To agree that Council officers would develop a paper which set out the argument and rationale for Edinburgh to introduce a Workplace Parking Levy or wider non-residential parking levy which could also cover customer parking spaces.
