Item 10.1 – Motion by Councillor Staniforth - Edinburgh's Christmas

Committee

- a) Agrees points 1 and 2
- b) Amends point 3 to read: “Recognises the practical impossibility of obtaining a replacement venue at this late stage.”
- c) Amends point 4 to read: “Regrets that Underbelly did not request planning permission for the structures currently in place in East Princes Street Gardens.”
- d) Inserts as point 5: “Committee also notes the role that other Council committees, departments, and officers have to play in providing the necessary permissions for Edinburgh’s Christmas to proceed. This includes Building Standards and Public Safety who will ensure all appropriate safety checks and inspections are done to the department’s satisfaction to ensure the structure complies with all safety standards and regulations.”
- e) Inserts as 6 “Instructs the Director of Place to provide a report to the next Culture and Communities Committee detailing the proposals and options, as currently understood, for Edinburgh Christmas 2020. These should include, but not be limited to; possibly moving the event to another location next year, a reviewing of its footprint, as well as detailing any financial implications, and a timeline for ensuring all proper and relevant permissions are applied for and in place ahead of any future events.
