Webcasting of Council meetings

Please note this meeting may be filmed for live and subsequent broadcast via the Council's internet site – at the start of the meeting the Convener will confirm if all or part of the meeting is being filmed.

The Council is a Data Controller under the General Data Protection Regulation and Data Protection Act 2018. We broadcast Council meetings to fulfil our public task obligation to enable members of the public to observe the democratic process. Data collected during this webcast will be retained in accordance with the Council's published policy including, but not limited to, for the purpose of keeping historical records and making those records available via the Council's internet site.

Generally the public seating areas will not be filmed. However, by entering the Council Chamber and using the public seating area, individuals may be filmed and images and sound recordings captured of them will be used and stored for web casting and training purposes and for the purpose of keeping historical records and making those records available to the public.

Any information presented by individuals to the Council at a meeting, in a deputation or otherwise, in addition to forming part of a webcast that will be held as a historical record, will also be held and used by the Council in connection with the relevant matter until that matter is decided or otherwise resolved (including any potential appeals and other connected processes). Thereafter, that information will continue to be held as part of the historical record in accordance with the paragraphs above.

If you have any queries regarding this, and, in particular, if you believe that use and/or storage of any particular information would cause, or be likely to cause, substantial damage or distress to any individual, please contact Committee Services (committee.services@edinburgh.gov.uk).
