### Application for House in Multiple Occupation Licence -- 106 Ferry Road, Edinburgh

**Executive/routine**

#### Executive Summary

---

A new application for a House in Multiple Occupation ('HMO') Licence has been received for a property at 106 Ferry Road, Edinburgh.

The property does not meet the necessary safety requirements and the Scottish Fire and Rescue Service does not support the grant of the licence. Officers recommend refusal of the application.

The property would require an exemption from policy in order to allow it to operate as temporary accommodation for homeless people.

The report sets out relevant sections of the policy background which should be considered when determining this application.

## Application for House in Multiple Occupation Licence – 106 Ferry Road

### 1. Recommendations

---

- 1.1 It is recommended that the Committee:
  - 1.1.1 notes the contents of this report, in particular the concerns of Scottish Fire and Rescue Service set out in Appendix 3; and
  - 1.1.2 refuses the application based on the suitability of living accommodation.

### 2. Background

---

- 2.1 The requirement to hold a House in Multiple Occupation ('HMO') Licence is set out in the Housing (Scotland) Act 2006 ('the Act'). The procedures for processing such applications and considering objections etc. are set out in the Act.
- 2.2 The Housing (Scotland) Act 1987 introduced the concept of the 'tolerable standard', which all homes must meet in order to be considered fit for habitation. Subsequent Acts incorporated and made amendments the requirements.
- 2.3 The Committee can add reasonable conditions as it sees fit, if it is minded to grant the licence.

### 3. Main report

---

- 3.1 An application (Appendix 1) for the grant of an HMO Licence for a property has been received from Bryan Ho. The property at 106 Ferry Road has not previously been a licensed HMO property.
- 3.2 The property is currently being used for temporary accommodation for homeless people, and this has been the case since January 2021 (Appendix 2).
- 3.3 The Scottish Fire and Rescue Service ('SFRS') made comment on the fire safety measures in the property, with respect to 'Measures to prevent the spread of fire and smoke', the 'fire warning and detection system', 'Means of escape' and 'Testing and maintenance' (Appendix 3). As a result, SFRS does not support the granting of an HMO licence for this property (Appendix 4). As a result colleagues in the homelessness service are taking steps to relocate clients from this property.

- 3.4 There is a separate issue whereby the applicant requests an exemption from policy with respect to the 'tolerable standard' requirements noted in the attached Appendix 5. This would also be required to allow the accommodation to continue to operate as it is currently configured.
- 3.5 'Tolerable standard' criteria specify the minimum requirements for an HMO property for 13 persons. The property has been inspected by Council officers regarding its suitability for use as an HMO. The nonconformities found are highlighted in Appendix 5, and include the property's food preparation facilities and the size of one of the bedrooms (Appendix 5).
- 3.6 The Committee is asked to note for information that Planning colleagues have advised the Licensing Service that the applicant has been advised to obtain planning permission for this property, but has so far failed to do so.
- 3.7 The applicant has supplied an action plan and photos (Appendix 6) as evidence that works have been completed.
- 3.8 It is recommended that the Committee considers this application, the history of compliance, and the request for exemption.
- 3.9 Officers recommend that the application should be refused. The property does not meet the HMO standards and there is an adverse report from the Scottish Fire and Rescue Service regarding the fire safety standards.
- 3.10 Alternately if the Committee is minded to grant the application it may wish to consider if it is proportionate to insist on modifications to bring this property in line with current physical specifications. This could be achieved if a suitable licence condition could be imposed.
- 3.11 After hearing from the Executive Director of Place or his representative regarding this report, it is recommended that members of the Committee then hear from the applicant. The applicant or their representative have been invited to address the Committee.

## **4 Measures of success**

---

- 4.1 Not relevant, as decisions on individual licences must be considered on their own merits.

## **5 Financial impact**

---

- 5.1 All associated costs are contained within the existing Licensing budget.

## **6 Risk, policy, compliance and governance impact**

---

- 6.1 The process outlined takes account of the relevant statutory provisions.

- 6.2 The applicant has a right of appeal against any decision made. The appeal would be made to the Sheriff Court.

## **7 Equalities impact**

---

- 7.1 There is no equalities impact arising from the contents of this report.

## **8 Sustainability impact**

---

- 8.1 There is no environmental impact arising from the contents of this report.

## **9 Consultation and engagement**

---

- 9.1 None.

## **10 Background reading/external references**

---

- 10.1

## **11 Appendices**

---

- 11.2 Appendix 2 – email from Temporary Accommodation Service
- 11.3 Appendix 3 – Fire Safety audit report from Scottish Fire and Rescue Service dated 2 February 2023
- 11.4 Appendix 4 – letter from Scottish Fire and Rescue Service dated 2 February 2023

### Application for House in Multiple Occupation Licence – 193 (4f1) Bruntsfield Place

Item number

Report number

Executive/routine

#### Executive Summary

---

This is a request for the Licensing Sub Committee to consider an application for a new House in Multiple Occupation Licence.

This report outlines the procedures that the Licensing Sub Committee should adopt when considering the application and sets out the various options that are open to the Committee.

The Committee recently refused a separate application from the applicant for which he was acting as the agent, on the grounds that he was not fit and proper. Therefore the applicant is referred to committee to determine whether he is fit and proper to be granted a licence.

## Application for House in Multiple Occupation Licence – 193 (4f1) Bruntsfield Place

### 1. Recommendations

---

- 1.1 After hearing from Council Officers and the applicant, it is recommended that the Licensing Sub-Committee determines the application, considering whether the applicant is fit and proper and secondly whether the premises is suitable to be licensed as an HMO.

### 2. Background

---

- 2.1 The requirement to hold a House in Multiple Occupation ('HMO') Licence is set out in the Housing (Scotland) Act 2006 ('the Act'). The procedures for processing such applications and considering objections etc. are set out in the Act and the associated statutory guidance issued by the Scottish Government.
- 2.2 In considering an application for HMO licence, the Committee is required to assess whether the applicant and any agent appointed by them are fit and proper in terms of section 130 of the Act. This report sets out details of this Committee's previous consideration of the conduct of the applicant, and its subsequent decision to refuse an application for which he was specified as the agent.
- 2.3 The Committee is also required to assess whether the property for which the licence is sought is suitable for occupation as an HMO, or can be made suitable, in terms of section 131 of the Act.

### 3. Main report

---

- 3.1 The Committee is asked to determine this application made by Peter Lorn Macneal (Appendix 1).
- 3.2 The Directorate is satisfied that the property fully complies with the statutory requirements ('Tolerable Standard') specified for an HMO.
- 3.3 Committee members are asked to note that on 6 February 2023, after considering a report provided by the Directorate (Appendix 2), the Committee decided on a division to determine that Mr Macneal was not fit and proper to be authorised to permit persons to occupy any living accommodation as an HMO in terms of section 130 of the Act (Appendices 3 and 4). The Committee is asked to consider whether, if this applicant is

not fit and proper to hold an HMO licence at an alternative address, he can be considered fit and proper for this application. It is noted that an agent, other than Mr Macneal, has been appointed to manage the property and this is distinct from the circumstances which were considered in the previous decision of the Committee on 6 February 2023.

3.6 The applicant has been invited to attend.

## **4 Measures of success**

---

4.1 Not relevant, as decisions on individual applications have to be considered on their own merits.

## **5 Financial impact**

---

5.1 The Council's costs are contained within the licence application fees charged.

## **6 Risk, policy, compliance and governance impact**

---

6.1 The process outlined takes account of the relevant statutory provisions.

6.2 The applicant has a right of appeal against any decision made. The appeal would be made to the Sheriff Court.

## **7 Equalities impact**

---

7.1 There is no equalities impact arising from the contents of this report.

## **8 Sustainability impact**

---

8.1 There is no environmental impact arising from the contents of this report.

## **9 Consultation and engagement**

---

9.1 None.

## **10 Background reading/external references**
