**MINUTES OF MEETING**

**MONDAY 27 MAY 2024**

**Board members present: Councillors Louise Young (Convenor); Jason Rust (Vice-convenor); Chas Booth; Lezley Marion Cameron; Pauline Flannery; Margaret Graham; David Key; Catherine Fullerton; Norman Work (via Teams)**

**Police: Sergeant Barry Mercer**

**Council Officers: Veronica McMillan (Regulatory Team Leader); Colin McCulloch (Senior Building Standards Surveyor); Gerry Mays (Depute Clerk)**

In its consideration of items 1 and 2 below the Board deliberations were broadcast using the Council's webcast system. A copy of the webcast can be viewed [here](#).

**1. Convenor's Update**

The Convenor confirmed that the Board had discussed the process of progressing its overprovision assessment. It was noted that there had been around 60 responses to the public survey ranging from residents to trade and associated bodies, and community councils. The Board agreed that it would be appropriate to hold one or two evidence sessions and would extend invites. Dates would depend on availability of Board members and attendees, and it was proposed that it would be desirable to make progress in advance of the summer holiday period if possible, noting that there were considerable demands on members' time.

Mr Mays confirmed the consultation had closed on 13 May and in addition to the 63 responses, narrative responses were received from several stakeholders and other parties. Some respondents had indicated a willingness to participate in evidence sessions, and the Board had indicated that it would consider the detail of the responses and evidence sessions would be arranged. Councillor Booth suggested that an invitation be extended to CRESH as he noted that their research had been referred to in the NHS Lothian consultation response.

Councillor Graham referred to previous evidence sessions in which overprovision was discussed. The Convenor indicated that consultees had been invited to submit updated views specifically on overprovision for the purpose of the current exercise.

**2. Minutes of meeting of 26 and 29 April 2024, decisions and matters arising**

Cllr Booth noted that item 3 on 29 April was inaccurate in that he wished information regarding how individual members had voted in an item relating to the Black Bull to be inserted, as well as requesting that this level of detail be included in future minutes. Mr

## LICENSING BOARD

Mays advised that the information would be added and previous minutes re-issued. Cllr Flannery asked for clarification regarding an item relation to Summerhall, with regard to the possibility that the premises might be sold and any impact that would have on the licence. Mr Mays confirmed that the Board's decision on 26 April would stand and any arrangements regarding possible sale of premises would be a matter for the parties involved in that transaction, and certain applications could be made, such as to transfer or vary a licence depending on what was agreed as to the future of the premises. The minutes of the meetings of 26 and 29 April 2024 were otherwise agreed.

### 3. Applications

The Board considered applications for major variations, new provisional premises licences, occasional licences and personal licences, all as detailed in the decision list appended to these minutes.

### 4. Premises Licence Review Hearing – 19 Montagu Terrace

The Board was asked to consider an application for review of premises licence submitted by Police Scotland. The Board noted that the licence holder was not present and was satisfied that appropriate notification had been issued. After hearing from Seargent Mercer the Board agreed to revoke the premises licence.

5. Personal Licence Review Mark Adams - licence holder present; personal licence endorsed (on a division: Cllrs Young, Rust, Booth, Cameron, Graham, Work in favour of endorsement; Cllrs Fullerton, Flannery, Key in favour of no action)
6. Personal Licence Review Pankaj Ora – licence holder not present; Board satisfied appropriate notification issued; personal licence revoked.
7. Personal licence Review Manmeet Singh – licence holder present, represented by Mr McDonald; personal licence endorsed; Cllr Flannery dissenting.
8. Personal licence Review Usmaan Irshad – licence holder present; represented by Mr McDonald; no action taken.
9. Premises licence annual fees

The Board considered premises licence reviews in respect of several premises which had failed to pay annual fees, with outcomes as noted in the attached list.

### 10. Overprovision assessment update

It was noted that an update had been provided by Mr Mays at the start of the meeting.

## MINUTES OF MEETING

MONDAY 25 MARCH 2024

**Board members present: Councillors Louise Young (Convenor); Norman Work; Catherine Fullerton; Chas Booth; Pauline Flannery; Margaret Graham; David Key; Lezley Marion Cameron**

**Apologies: Councillors Jason Rust (Vice-convenor)**

**Police: Sergeant Barry Mercer**

**Council Officers: Veronica McMillan (Regulatory Team Leader); Colin McCulloch (Senior Building Standards Surveyor); Gerry Mays (Depute Clerk)**

In its consideration of items 1 and 2 below the Board deliberations were broadcast using the Council's webcast system. A copy of the webcast can be viewed [here](#).

### 1. Convenor's Update

The first of two proposed 'fast track' online meetings of the Board had taken place on Friday 22<sup>nd</sup> March to address the backlog of applications. These meetings are to consider non-contentious applications where there are no objections and limited submissions. Any more complex application would be referred on to the full Board meetings. Fourteen variation applications and five provisional premises licence applications were heard with two applications being referred on to the Board's full meeting in April. The Convenor welcomed any feedback on the meeting from all attendees and thanked agents for trying the new process. A further 'fast track' meeting was scheduled for the end of April following which the Board would determine whether to continue with these online meetings on an ad hoc basis.

The Convenor joined LSO officers at the Best Bar None awards on 14<sup>th</sup> March 2024. These are national awards for licensed premises which were self-nominated or nominated by LSO teams. Edinburgh had three winners on the night – Mid Yoken for the Heart of the Community award, the Dalmahoy Hotel & Country Club for best newcomer award and Shanghai Club in George Street for the social responsibility award.

Mr Mays was invited to provide an update on the Board's consultation on overprovision policy. The consultation process had now commenced and had gone live on the Council's website Hub at the end of last week. Statutory consultees, key stakeholders and others will be invited to make submissions. The consultation period will run to 13<sup>th</sup> May 2024 and it is intended that responses will be collated and analysed and reported to the Board on 27<sup>th</sup> May 2024. Once provisional conclusions have been made, there will be a further opportunity to consult on a final draft. At the recent meeting of the Licensing Forum the main item of discussion had been the new overprovision policy and its members were keen to submit a response and be involved in the process.

## LICENSING BOARD

### 2. Minutes of meeting of 26 February 2024, decisions and matters arising

The minutes of the meeting of 26 February 2024 were agreed.

### 3. Applications

The Board considered applications for major variations, new provisional premises licences, personal licences, occasional licences and provisional premises licence extension requests, all as detailed in the decision list appended to these minutes.

### 4. Occasional Licence Referrals

### 5. Provisional Premises Licence extension requests

### 6. Premises Licence Review Hearing – 79 Restalrig Road South

The Board continued its consideration from its previous meeting of a hearing on the terms of an application for review of premises licence submitted by Licensing Standards Officers. The Board heard from Veronica Macmillan and noted the terms of the LSO report and then heard from Alistair Macdonald on behalf of the licence holder.

The Board noted that the licence holder had instructed acoustic specialists to inspect the premises and was taking steps to implement the recommendations in their report. The LSO officers who had sought the review hearing were satisfied with the steps that were being taken to remedy the problems. The Board therefore agreed to defer making a final decision for a period of three months to allow the licence holder to implement the recommendations set out in the report. If any complaints were received in the interim period then the Board would consider bringing the matter back before it to an earlier meeting. Ms Macmillan advised the licence holder that it would be advisable to use their own systems to play any amplified music in the premises as different operators coming in and using their own equipment could be causing the noise problems.

### 7. Major Variation application – Black Bull, 12 Grassmarket

The Board considered a major variation application which had been the subject of an appeal to the Sheriff Court and which had been referred back to the Board for reconsideration. The application sought to increase the capacity of the premises to 264.

The Board heard from Caroline Loudon and Melanie Barbour, advocate on behalf of the licence holder. They submitted that the premises were long-established and well-managed and were limited by the current low capacity. In addition, it was submitted that the Board's overprovision policy was unlawful due to a lack of clarity over the localities being considered during the consultation process.

The Board determined to grant the variation sought based on the historical status of the premises. The premises had previously had a much higher capacity while operating in the same manner as it did so currently. The capacity had been reduced as a result of internal alterations in the property. More recent works had been carried out which allowed for an increase in capacity in terms of the building regulations. This increase

# • EDINBURGH •

## LICENSING BOARD

would not bring the capacity as high as it had been before any of the earlier works had been carried out.

The Board noted the comments and critique of its overprovision policy but as this had been made by the previous Board it was of the view that it could not defend or criticise this policy. The consultation process to prepare a new overprovision policy was currently underway and the Board appreciated that the submissions made in respect of the current policy could be used in preparing this new policy.

(On a division: Cllrs Young, Fullerton, Key, Work – grant; Graham – refuse (dissent noted); Flannery, Cameron – defer decision. Cllr Booth did not participate in the consideration of this application)

The premises as a general convenience store adjacent to petrol/derv filling station forecourt. The site has car parking separate from the fuel pumps. The premises do not form part of the nearby retail supermarket premises. The petrol/derv filling station forecourt area is not part of the area to be licensed. The premises offer substantial general convenience separate from, and supplementary to, the offer of petrol/derv. The applicant considers that persons within the locality of the premises are reliant on the premises to a significant extent on the premises as a principal source of petrol or derv or groceries and thereby satisfy the criteria of section 123(5) of the Licensing (Scotland) Act and as such are not excluded premises.</p> <p>CCx2<br/>LSO<br/>BSR</p> | <p><b>GRANTED</b></p> <p>Capacity of 22.5 linear metres</p> <p>Music condition – no audible nuisance</p> <p>NB Cllr Booth's dissent noted</p> |

## APPLICATIONS TO EXTEND PROVISIONAL PREMISES LICENCES

### 1. Purpose

- 1.1 To ask the Board to consider applications to extend the duration of provisional premises licences.

### 2. Main Report

- 2.1. A number of requests for extension of provisional premises licences have been received.
- 2.2. A provisional premises licence is granted for a period of four years from the date of issue of the licence. If not confirmed before the end of the provisional period, the licence is revoked. Confirmation is obtained upon receipt by the Licensing Board of clear [Section 50](#) certificates (Planning, Building Standards and, where necessary, Food Hygiene).
- 2.3. A provisional premises licence holder may apply to the Board before the end of the provisional period, requesting an extension by such further period as the Board considers appropriate.
- 2.4. In granting such an extension, the Board must be satisfied in terms of [Section 45\(8\)](#) of the 2005 Act that (a) completion of the construction or conversion of the premises to which the licence relates has been delayed and (b) the delay has been caused by factors outwith the premises licence holders' control.
- 2.5. Details of premises for which requests have been made will be attached to this report. Provisional licence expiry details will be confirmed at the Board meeting, if not set out as attached.
- 2.6. In some instances, the premises for which extensions have been requested have been operating by means of occasional licences issued by the Board, as permitted by the Act. The Board may wish to seek further information from licence holders and their agents, in the event of there being longer term use of occasionals, in line with the terms of the Board's newly adopted policy.

### 3. Recommendation

- 3.1 In the event the Board is satisfied with the reasons given, the Board is asked to reach a decision on the duration of any extension of the provisional premises licence for each of the requests.

## PREMISES LICENCE REVIEW HEARINGS – NON-PAYMENT OF ANNUAL PREMISES LICENCE FEES – 2023/24

### 1. Purpose

- 1.1 To provide details of premises where annual fees for 2023/24 remain outstanding.
- 1.2 To ask the Board, having already agreed to make review proposals in each case, to hold review hearings and decide in each case what action requires to be taken.

### 2. Main Report

- 2.1. Premises licence holders are required to make payment of annual fees on or around 1<sup>st</sup> October every year, in terms of the Licensing (Fees) (Scotland) Regulations 2007. The fees are paid in advance of the following year.
- 2.2. Non-payment of fees is a breach of the mandatory conditions of licence, which in turn constitutes a ground for review of a premises licence. Premises licence holders have been invoiced and written to on a number of occasions, to advise them of the requirement for their outstanding fees to be paid. The Council's LSOs have issued premises licence holders with Compliance Notices, requiring compliance with the mandatory conditions of licence, i.e. payment of the fees.
- 2.3. The Board was advised of the details of premises with outstanding fees at its meeting on 29<sup>th</sup> April 2024 and agreed it was necessary to schedule review hearings for premises where fees remained outstanding.
- 2.4. If satisfied that it is necessary for the purposes of the licensing objectives to do so, at the conclusion of a review hearing the Board may:-
  - Issue a written warning to the licence holder
  - Vary the premises licence
  - Suspend the premises licence for such period as the Board may determine
  - Revoke the premises licence
- 2.5. The LSOs have provided individual reports for each of the premises for which fees remain outstanding, and have set out information to assist the Board in dealing with each review.

### 3. Recommendation

- 3.1 The Board is asked:-
  - (a) To hold review hearings for each of the premises where annual fees remain outstanding;

PREMISES LICENCE REVIEW HEARINGS – NON-PAYMENT OF ANNUAL  
PREMISES LICENCE FEES – 2023/24

- (b) To decide what action requires to be taken in each case, having regard to the licensing objectives.
