

Addendum by the Coalition

Finance and Resources Committee

6 December 2019

Item 7.13 - Corstorphine Community Centre

Committee agrees the Corstorphine Community centre project should be part of a wider review of the community centre asset management strategy which was presented to the Finance and Resources Committee in August.

Requests a report to the 23/01/2020 Finance and Resource Committee to include consideration of a Hub approach to the joint development of the Corstorphine Community Centre and adjacent Library for decision.

The Committee recognises this may result in a further delay to the start of the Corstorphine Community Centre project and consequently request the project funders are approached and reassure them of the Council's continued commitment to support the delivery the project.

Moved by: Councillor Alasdair Rankin

Seconded by: Councillor Joan Griffiths

Motion by the Coalition

Finance and Resources Committee

6 December 2019

Item 8.1 - Land at 18b Ferry Road Avenue, Edinburgh – Proposed Disposal

Delete recommendations and replace with the following:

“1.1 That Committee:

- 1.1.1 Approves the disposal of land at 18b Ferry Road, Edinburgh to North Edinburgh Childcare, on terms and conditions to be agreed by the Executive Director of Resources in consultation with the Convener and Vice Convener of this Committee and ensures that sufficient safeguards are put in place for the site to return to Council ownership should the application for National Lottery funding be unsuccessful.”

Moved by: Councillor Alasdair Rankin
