

**QUESTION NO 8**

**By Councillor Lang for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 12 March 2020**

In August 2018, there was an in-principle decision to install a new speed table on Rosshill Terrace near Dalmeny Station. This followed the deputation of the Dalmeny Station Residents' Association to the Transport & Environment Committee in October 2017.

Council officials initially offered to carry out the work "in the first weeks" of the 2019 school summer holidays. This was then delayed until autumn 2019 and then to spring 2020.

**Question**

Can the Convener of Transport and Environment provide clarity on when the speed table will be installed?
