

QUESTION NO 6

**By Councillor Rust for answer by the
Convener of the Transport and
Environment Committee at a meeting
of the Council on 29 April 2021**

Question

Elected members face questions from constituents about *Spaces for People* schemes in respect of their own wards, but also other parts of the city in which constituents work or visit. There are around 120 schemes presenting a burden on both council officers and councillors in responding to individual queries. While some information is currently available on the Council website, can the Convener commit to investigating the provision of additional information for each *Spaces for People* scheme including all key documents, for example:

- final plans,
- integrated impact assessments,
- design risk assessments,
- completed safety audit

in order to allow easy access by councillors, their support staff and members of the public with a view to improving transparency, increasing efficiency and reducing workloads for all?
