Executive Summary

The City of Edinburgh Council has been notified of a parade which is proposed to take place on 19 June 2021.

The Council has limited powers in respect of parades. It can take no action and the parades would proceed as the organisers intend. Alternatively, it has the power to attach conditions or, under limited circumstances, to ban the parades. The Committee needs to decide whether to exercise any of these options.

In January 2018 the Regulatory Committee decided to continue the practice that all parades involving the High Street must be submitted for Committee consideration.

Proposed Parade: 19 June 2021

1. Recommendations

- 1.1 It is recommended that the Committee makes an order in respect of the proposed parade, imposing the conditions attached at Appendix 2.

2. Background

- 2.1 Under the Civic Government (Scotland) Act 1982, anyone organising a parade or procession in Scotland must notify the appropriate local authority and the police at least 28 days prior to the date of the event.
- 2.2 The City of Edinburgh Council has been notified of intent to hold the following event in the city (further details in Appendix 1). It is proposed that the march will use the High Street:

	Event name	Event date
1(a)	Split the Difference – Walking Scotland for Men and Boys <i>Proposed route includes use of High Street</i>	19 June 2021

- 2.3 The Council has limited powers available regarding the control of such parades. These powers should only normally be exercised to prevent public disorder, risk to public safety, damage to property or excessive disruption to the life of the community.
- 2.4 Public health measures in relation to permitted numbers on a march or mitigations to ensure safety are dealt with by the emergency public health regulations and do not form part of the decision which requires to be made under the 1982 Act.

3. Main report

- 3.1 The notification form relevant to the proposed parade is attached at Appendix 1.
- 3.2 The recommended conditions (Appendix 2) are sufficient to mitigate any possible disruption to the community.
- 3.3 Representatives of the organisation will be invited to address the Committee regarding the proposed parade.

4. Measures of success

- 4.1 That the Council discharges its statutory duties in respect of this notification.
- 4.2 That any parade is facilitated wherever possible and is managed in a way that minimises potential disruption to the life of the community.

5. Financial impact

- 5.1 None arising directly from this report.
- 5.2 Council resources may need to be deployed on the day, in particular with respect to any road closures.

6. Risk, policy, compliance and governance impact

- 6.1 Should the Committee decide to restrict or prohibit the procession, the persons proposing to hold the procession may appeal against that decision to the Sheriff Court within 14 days of written reasons being received by them.

7. Equalities impact

- 7.1 In coming to a decision, the Committee will have to consider the rights of the procession organisers to stage their procession, and the Council's duty to foster good relations and ensure the protection of public order and safety. These must be discharged against the relevant statutory duties.

8. Sustainability impact

- 8.1 There may be some short-term environmental impact arising from any agreed procession:
 - 8.1.1 The proposed route crosses public roads, though arrangements will be made to mitigate any disruption caused.

9. Consultation and engagement

- 9.1 Statutory consultation has taken place regarding the parade.
