

Addendum by the Conservative Group

Governance Risk and Best Value Committee

21 September 2021

Item 8.3 – Corporate Leadership Team Risk Report

Committee:

Adds to recommendations

1.6 Request the Chief Executive amends the standard Council Report Templates renaming items 6 “Financial impact” “Financial & Risk impacts” in the expectation that this will prompt officers to include within that section any courses of action within the report that might move the Council outside or further outside its risk appetite ranges.
