### Item 7.1 – Brunstane Road Closure (ETRO Progress Report)

Replace the recommendations with:

Committee notes that the full ETRO public consultation shows an even higher proportion of the wider population being against the closure with 74% indicating their opposition with 211 lodging an objection. Committee therefore agrees to abandon the ETRO process and that officers re-examine alternative measures for Brunstane Road such as parking controls and/or an HGV ban.
