

QUESTION NO 3

**By Councillor Jim Campbell for
answer by the Convener of the
Transport and Environment
Committee at a meeting of the
Council on 16 December 2021**

On 29 November Forth Ward Members received an email raising concerns that no Safe Route to the new Victoria Primary School would be in place when it opens early next year. This is despite the likelihood that many more students will now have to cross the busy A901, Lindsey Road, due to the Primary School moving to a new building in Western Harbour. The reason given for this omission, apparently by Council Officers, was the secondment of Officers to the Spaces for People Programme.

I am grateful for the Deputy Leader's intervention to resolve this nonsense.

Question (1) Does the Convener recognise this?

Answer (1)

Question (2) Can the Convener reassure Council that Safe Routes to School are a priority for her?

Answer (2)

Question (3) Can the Convener assure Council that a safe route to school / travel plan will be shared with all Parents / carers of Victoria Primary students covering access to the new building before the school moves?

Answer (3)
