Pensions Administration Strategy Update

2. Executive Summary

- 2.1 The Lothian Pension Funds' Pensions Administration Strategy (**PAS**) has been reviewed to include references to new guidance and documentation produced by the Scottish Public Pensions Agency (**SPPA**) regarding ill-health retirement. The compliance certificate appended to the PAS has been amended to highlight key employer obligations. In addition, the Fund has introduced a new process for the provision of member forms from employers using the existing employer portal, i-Connect and the PAS has been amended to reflect this change.
- 2.2 As required under the Local Government Pension Scheme (Scotland) Regulations, a consultation exercise will be carried out with the fund's employers following Committee.

3. Background

- 3.1 Lothian Pension Fund adopted a pensions administration strategy or PAS effective from 1 April 2010. This was developed in order to:
- deliver a high-quality pension service to Scheme members; and
 - continually develop and improve efficient working practices.
- 3.2 The PAS sets out the standards for pension administration against which the fund's performance is assessed. Performance results are reported to employers by way of an annual performance report, with more frequent information provided to larger employers.

4. Main Report

- 4.1 The SPPA produced updated guidance in 2020 'A Guide to Ill Health Retirement and Early Payment of Deferred Benefits'. This guidance sets out the role of the employer and the administering authority in these circumstances and includes checklists for employers to use when considering whether ill-health retirement is appropriate. This was followed in October 2021 by a revised ill-health certificate to be completed by both the employer and their Independent Registered Medical Practitioner to confirm whether ill-health retirement is appropriate and the level of benefits payable. Both the guidance and the revised certificate have previously been communicated to employers via special editions of the Fund's 'Employer Bulletins', however the

Compliance Certificate has now been updated to include specific reference to the requirement to:

- Be aware of the SPPA guidance, and
- Appoint an Independent Registered Medical Practitioner.

4.2 In January 2022, the Fund introduced a new process for employers to provide individual member forms. Forms are now uploaded to the i-Connect portal which has a search function to allow employers to select the relevant employee record. This portal also includes a history of all documents uploaded to the member's record which provides an improved audit trail for the employer. The new process has also reduced work for Fund officers as the forms are uploaded directly to the member's record. The PAS has been updated in line with the new process.

4.3 The compliance certificate has also been updated to:

- highlight the requirement for employers to assess eligibility for the Scheme, to ensure that members are placed in the correct scheme. This clarification follows an instance of an employer entering an employee in a different public service pensions scheme in error;
- include a declaration that employers will complete the annual covenant review survey; and
- separate the authorised signatory section into two sections: one for those employer contacts who are authorised to sign early retirement authorisations and another for employer contacts who complete pension forms on a day-to-day basis.

4.4 The Fund will carry out a consultation with employers and provide an update to Committee at its meeting on 29 June 2022.

5. Financial impact

5.1 There is no direct financial impact aside from potential recovery of costs in the event of employer failure to provide specified information within required timescales.

6. Stakeholder/Regulatory Impact

6.1 The Pension Board, comprising employer and member representatives, is integral to the governance of the fund and they are invited to comment on the relevant matters at Committee meetings.

- 6.2 There are no adverse health and safety, governance, compliance or regulatory implications as a result of this report.

7. Background reading/external references

- 7.1 None.

1. INTRODUCTION

The City of Edinburgh Council administers the Local Government Pension Scheme (the Scheme) on behalf of employers participating in the Scheme through the Lothian Pension Fund (the Fund), and the Scottish Homes Pension Fund. The Scheme is governed by statutory regulations.

References to the Fund should be regarded as meaning The City of Edinburgh Council as Administering Authority of the Lothian Pension Fund and Scottish Homes Pension Fund.

The scheme is governed by statutory regulations:

- The Local Government Pension Scheme (Scotland) Regulations 2018 (as amended);
- The Local Government Pension Scheme (Transitional Protections & Savings) (Scotland) Regulations 2014 (as amended);
- The Local Government (Discretionary Payments and Injury Benefits) (Scotland) Regulations 1998 (as amended).

In discharging their roles and responsibilities under these Regulations, the Fund and employers are also required to manage the Scheme in accordance with the Pensions Regulator's Codes of Practice and also comply with any pertinent overriding legislation, such as:

- The Pensions Act 1995 and consequential amendments
- The Occupational and Personal Pension Schemes (Disclosure of Information) Regulations 2013
- The Equality Act 2010
- The Freedom of Information Act 2000
- The Finance Act 2004
- The Public Service Pensions Act 2013
- The Pension Schemes Act 2015

and take appropriate cognisance of any regulatory guidance or Code of Practice issued by:

- The Pensions Regulator
- Scottish Public Pensions Agency
- Scottish Government
- HMRC

The Fund is committed to providing a high-quality pension service to both members and employers and particularly to ensuring members receive their correct pension benefit entitlement. These aims are best achieved where the Fund and employers work in partnership and are clear about their respective roles and responsibilities. The quality of service provided to members is therefore dependent on both parties meeting high standards of accuracy and timeliness of information supplied.

2. PURPOSE OF THE PENSION ADMINISTRATION STRATEGY

This document:

- sets out the roles and responsibilities of both the Fund and employer;
- specifies the level of services the parties will provide to each other, and the performance measures used to evaluate them.

This strategy is an over-arching agreement between the Fund and all its employers, but it is also supplemented by a specific individual agreement in respect of the Scottish Homes Pension Fund.

This strategy has been produced in consultation with employers and is effective from 1 July 2022. The statement will be kept under review and revised where appropriate. Changes will be subject to consultation with employers. The strategy will be published to all participating employers and the Scottish Ministers.

2.1 Strategy principles

In agreeing this strategy, all parties commit to:

- achieving a high-quality pension service to employees;
- continually developing and improving efficient working arrangements;
- striving to exceed the Fund's service standards.

In addition, the Fund will:

- publish an annual report of performance
- provide all employers with information on their performance at least annually;
- keep the pension administration strategy under review.

3. ROLES AND RESPONSIBILITIES

Employers' duties, responsibilities and discretions are listed in Appendix A to this Strategy, and the Fund's duties, responsibilities and discretions are listed in Appendix B.

Full information and guidance on employer administrative responsibilities are set out in the Employers' Guide available from the Fund's website www.lpf.org.uk.

For data protection reasons, member data should not be provided by e-mail.

Employers should provide the information below within the agreed timescales shown. More guidance on the information required is set out in the Employer Guide.

It is the employer's responsibility to provide correct information about their members. The Fund is not responsible for checking the accuracy of any information provided by the employer. However, the Fund will inform the employer of any differences between information provided by the employer and information already held.

4.1 Service standards employers can expect from the Fund

The Fund aims to provide the information below within the agreed timescales shown. A reduced timescale may be agreed in exceptional cases at an employer's request. In such instances, this may lead to additional costs and these costs will be recharged to the employer.

Employer requests

- Once all required information is received, the Fund will provide the employer with ad-hoc estimates of benefits **within 10 working days** of the receipt of the request
- Where more than 20 estimates are required, the employer should consult with the Fund to reach an agreed timescale

- Multiple requests relating to an individual member may be restricted
- Large bulk estimate exercises may incur a charge depending on timescales required
- The Fund will respond to a pension-related query raised by employers **within 10 working days** of its receipt.

Information to members

- Annual newsletters, leaflets and other correspondence will generally be issued directly to members' home addresses. Letters are also made available using the Member Self Service facility 'My Pension'
- Annual pension forecasts will generally be made available to members using the Member Self Service facility; however these can be sent directly to the member's home address on request
- The Fund will advise employers of the general content and planned issue date of such material in advance
- Where the Fund is unable (or it is not desirable) to distribute Fund information directly to members' home addresses, with the agreement of the employer, the employer shall distribute the information within 10 working days of its receipt.

General administration

As the body administering the Scheme on behalf of the employer, the Fund will consult with employers on major issues affecting their participation in the Fund and provide updates on relevant information through:

- Website www.lpf.org.uk
- Regular employer bulletins, including coverage of Pensions Committee and Pension Board meetings
- Employer events
- Go Anywhere
- The Fund will provide requisite training, guidance and support to employer staff members that have pension related duties
- The Fund will maintain and develop training information for the secure employer data portal (user guides and training videos) as required.

5. COSTS

The Fund's charging policy is set out in the Funding Strategy Statement (FSS) which summarises the Fund's approach to funding liabilities. The FSS can be found on the Fund's website at www.lpf.org.uk.

The costs of administration, including actuarial fees for routine work, are charged directly to the Fund. These costs are taken into account in assessing employers' contribution rates.

Where additional services (actuarial or other) are required by, or result from the actions of, the employer and costs are incurred by the Fund, the employer will be required to reimburse the Fund

for the costs involved. Where appropriate, an estimate of these costs will be provided, and the employer's agreement obtained before instructing the service provider.

Where additional costs arise due to employers requiring information within reduced timescales (see section 4.2 above), an estimate of the costs will be provided in advance.

6. PERFORMANCE MEASUREMENT AND REPORTING

6.1 Fund performance against Customer Charter and Service Standards

The Fund will carry out its duties and responsibilities to members in accordance with its service standards (as published within its "Customer Charter and Service Standards"). It will also monitor, measure and report on its performance against those standards and its performance targets.

6.2 Fund and Employer performance against agreed service standards

On a regular basis, the Fund will monitor, measure and report on both the Fund's and employers' compliance with the agreed service standards outlined in this document, on a total Fund basis, and will share that report with Employers. Individual reports will be produced on a quarterly basis for our larger employers and other employers will receive details of their own performance on an annual basis, with more regular reports on request. Full performance measures to be reported are detailed in Appendix C.

7. PROCEDURES FOR IMPROVING EMPLOYER PERFORMANCE

The Fund will seek, at the earliest opportunity, to assist employers in identifying any areas of poor performance. The Fund will:

- Provide regular reports of employer and Fund performance, identifying any areas for improvement (see section 6 above);
- Remind employers of the required standards (both regulatory and Fund);
- Provide training and guidance for employers (see section 4.2 above);
- Offer to meet with the employer to discuss the area(s) of poor performance and how they can be addressed.

8. CIRCUMSTANCES WHERE COSTS MIGHT BE RECOVERED AS A RESULT OF POOR PERFORMANCE

The cost of administering the Fund is met by all employers, however when additional costs arise due to the poor performance of one employer, it is fair that these are attributed to the relevant employer.

8.1 Circumstances where direct costs can be recovered from employers:

- In the event of a failure to meet its requirements, under the Occupational Pension Schemes (Disclosure of Information) Regulations, the Fund may be penalised by the Pensions Regulator. If this failure is due to the default, omission or otherwise negligent act of the employer, the sum concerned will be recharged to the employer
- Where any orders or instruction issued by The Pensions Regulator or the Pensions Ombudsman requires financial compensation or a fine to be paid from the Fund, or by any officer responsible for it, and it is due to the default, omission or otherwise negligent act of the employer, the sum concerned will be recharged to the employer
- When considering financial awards for upheld complaints relating to compensation for distress or inconvenience, if the fault is due to the fault, omission or otherwise negligent act of the employer, a sum will be agreed in consideration with the levels of compensation awarded by the Pensions Ombudsman for similar cases and this will be recharged to the employer.

8.2 Circumstances where indirect costs can be recovered from employers

If as a result of an employer's poor performance, additional and disproportionate resources are deployed by the Fund, the cost of the additional resources may be recharged to the employer in accordance with powers available under Regulation 65 of the Local Government Pension Scheme (Scotland) Regulations 2018.

In particular, the Fund will charge employers for the following failures:

Failure to pay monthly contributions to the Fund by the statutory deadline of 19 th of the month following deduction of the contributions.	Interest calculated in accordance with Regulation 66(4) of the Regulations
Failure to provide the Fund with year-end return and fully completed AB2 schedule by 19 th April each year.	£200 initial fee plus 5p per active member per working day from 20 April to date return is received.
Failure to provide the Fund with information required to calculate member(s) pension input amounts (for pensions savings statements) by the statutory deadline of 6 July following the end of the tax year.	£200 initial fee plus £10 per member per working day from 7 July to date information is received.
Failure to submit monthly contribution return via the secure online data portal by 19 th of the month following deduction of the contributions.	£50 fee per occurrence plus 5p per active member. Charges to be levied on an annual basis at the discretion of the Fund.
Failure to provide the Fund with monthly contribution return information using secure online data portal (online return or file extract).	£50 fee per occurrence plus 5p per active member. Charges to be levied on an annual basis at the discretion of the Fund.

In addition, where persistent and ongoing failure occurs in relation to other administration requirements and no improvement is demonstrated by an employer, and/or unwillingness is shown by the employer to resolve the identified issue(s), the following sets out the steps that will be taken in dealing with the situation in the first instance:

- The Fund will write to the Chief Executive (or equivalent) of the Scheme employer, setting out the area(s) of poor performance and the potential consequences including any costs which may be incurred
- Where no improvement has been demonstrated by the employer, or where there has been a failure to take agreed action by the employer, the Fund will issue a formal written notice to the employer, setting out:
 - the area(s) of poor performance which have been identified
 - steps taken to resolve the problem(s)
 and giving notice that additional costs may now be reclaimed
- The Fund will explain the calculations of any loss or additional costs incurred by the Fund taking account of time and resources incurred in resolving the specific area of poor performance
- The Fund will recharge the employer for these costs, setting out reasons for doing so, the basis of the calculation of the amount, and the relevant part of this statement which, in the Fund's opinion, has been contravened.

9. OTHER ACTIONS WHICH THE FUND MAY BE REQUIRED TO TAKE

The Fund may appeal to Scottish Ministers against a decision, or failure to make a decision, under scheme regulations by an employer

Where the employer fails to comply with statutory contributions payment requirements the Fund will inform the Pensions Regulator, as required of Scheme Administrators by the Pensions Act 1995

Where the employer's act or omission results in a material breach of the Fund's duties under the Pension Regulator's Code of Practice 14, the Fund will report this breach to the Regulator, providing details of the issue. Employers should be aware that the Pensions Regulator has powers to issue improvement notices to employers

Where the employer fails to comply with their scheme duties etc., including

- Failure to make payment of contribution by 19th of the month following deduction from pay;
- Failure to provide requisite year-end information to enable the Fund to produce an annual pension forecast to the member as required with the Pensions Regulator's Code of Practice;
- Failure to provide requisite information to enable the Fund to calculate the member's pension input amounts by the statutory deadline of 6 July following the end of the tax year, the Fund reserves the right to notify the member(s) involved and to notify all members employed by the employer in the event of serious or persistent failure.

The Fund will also include in the annual report details of employers who have failed to:

- Meet monthly contribution remittance standards during the year
- Provide year-end information by 19 April

10. CIRCUMSTANCES WHERE EMPLOYERS ARE UNHAPPY WITH FUND PERFORMANCE

The Fund is committed to provide a high quality of service to all customers, including employers, however it is acknowledged that issues may occur.

Where an employer is unhappy with Fund performance, this should, in the first instance be raised by contacting the Employer and Member Team at Lothian Pension Fund.

Where the issue cannot be resolved, then an employer should contact the Chief Executive Officer in writing to outline the issue. An investigation will be carried out and a reply sent within 10 working days.

APPENDIX D – Example Compliance Certificate and Authorised Signatory list

Lothian Pension Fund Compliance Certificate

On behalf of my organisation, I confirm that **I am the** named contact who will act as liaison with Lothian Pension Fund (LPF) within my organisation.

I understand that we have various **statutory obligations** in relation to the Local Government Pension Scheme (LGPS) and **employer obligations** under the Pension Administration Strategy.

I confirm (unless I have detailed otherwise and included the reason “why not” in the “additional information” box below) that:

1. **We have assessed each employee’s eligibility for membership of the scheme** and ensured that they are enrolled in the correct pension scheme and that all relevant auto-enrolment legislation is followed during the course of their employment.
2. **We calculate, apply and deduct tiered employee contribution rates** (and take account of benchmark rates for variable allowances) for each member employed by us in accordance with the statutory guidance. We specifically deduct and remit contributions separately in respect of each of our members’ concurrent employments, using a unique pension’s identifier number for each employment.
3. **We remit all contributions including employer contributions at the appropriate rate for the scheme year in question** to be received by LPF by the 19th of the month following the month of deduction and provide a completed AB1 form to allow reconciliation of the payment.
4. **We have notified our members of their tiered contribution rate** in writing (a payslip message is acceptable).
5. We deduct and remit additional regular contributions (**ARCs**), additional pension contributions (**APCs**) and contributions in respect of the purchase of added years from our members where applicable.
6. We deduct and remit additional voluntary contributions (**AVCs**) to Prudential or Standard Life and the payments are received by Prudential or Standard Life **by** the 19th of the month following the deduction from the member.
7. We provide a completed monthly contribution return (‘AB1 form’) by the 19th of the month following deduction from pay.
8. We deduct and remit additional voluntary contributions (**AVCs**) to Prudential or Standard Life and the payments are received by Prudential or Standard Life **by** the 19th of the month following the deduction from the member.

9. We are aware of the various pension administration forms and spreadsheets available from the Go Anywhere online system and of what events cause their need to be completed and will submit them accurately within the required timescales.
10. We have **published an up-to-date employer policy statement** for all employer discretions under the LGPS Regulations and have forwarded this to LPF.
11. We are **keeping abreast of the range of material** available on www.lpf.org including the underlying legislation, the LGPS guide and the monthly Employer Bulletins.
12. We are aware of the various pension administration forms and spreadsheets available from **Go Anywhere** and of what events cause their need to be completed and will submit them accurately (and electronically through **Go Anywhere** as required) within the required timescales.
13. We have **published an up-to-date employer policy statement** for all employer discretions under the LGPS Regulations and have forwarded this to LPF.
14. We are aware of the guidance published by Scottish Ministers regarding ill-health retirements and have appointed an **Independent Registered Medical Practitioner (and provided details of their qualifications to the Fund as appropriate)** to assist in assessment for ill-health retirement and have provided them with the guidance and certificate for use.
15. We are **keeping abreast of the range of material** available on www.lpf.org.uk and on **Go Anywhere** including the underlying legislation, the LGPS guide and the monthly Employer Bulletins.
16. We will complete the authorised signatories form attached and return it fully completed by **31 July**. Where there is a change in authorised signatories, we will tell Lothian Pension Fund within a month of the change by submitting a revised form. We will keep our contacts for the secure online portal up to date and advise the Fund of any changes.
