Item 7.1 - Air Weapons and Licensing (Scotland) Act 2015 – Sexual Entertainment Venues – Proposed Resolution, Policy and Conditions – Update

Committee agree the recommendations as outlined in the report with the following addition at 1.1.3

Agrees to determine the appropriate number of SEVs within the City of Edinburgh as four. Thereafter agrees that in the event that the number of licences granted to SEVs operating within the city should fall below four, instructs officers to report such reduction to Committee and thereafter to commence a review of the current numbers limitation in order that Committee may consider whether the said number of SEV licences continues to be appropriate.

Item 7.1 - Air Weapons and Licensing (Scotland) Act 2015 – Sexual Entertainment Venues – Proposed Resolution, Policy and Conditions – Update

Insert at 1.1.3:

Notes the Scottish Government guidance on sexual entertainment venues and that local authorities may wish to take account of whether there are any schools, places of worship and/or any other relevant businesses or charities operating in the area e.g. homelessness shelters, women's refuges, supported accommodation, recovery units etc.

Agrees that no SEV should be sited within a 750m vicinity of any of these protected spaces.

Further agrees that the City of Edinburgh Council will set the number of SEVs at zero within Edinburgh.
