### ISA 260 annual report by External Auditor

These Annual Reports are subject to a separate external audit.

This summarises any matters arising from the audit of the financial statements prior to the formal signing of the independent auditor's report.
- 3.3 As part of the standard, the External Auditor is required to provide a view of the following:
- any significant qualitative aspects within the Funds' accounting practice;
  - any significant difficulties encountered during the audit;
  - any material weakness in the design, implementation or operating effectiveness of the system of internal control;
  - Any significant matters arising from the audit discussed with management;
