Report

Whistleblowing Annual Report

2. Executive Summary

2.1 This report covers the eighth full year of operation of the Council's whistleblowing service for the period 1 January – 31 December 2022.

3. Background

- 3.1 The Council's whistleblowing service, including telephone, email and online reporting; disclosure management; investigations and training, continues to be provided by an independent company, Safecall Limited.
- 3.2 The Council's Whistleblowing policy (section 4.3.2) requires that an annual report on whistleblowing activity is presented to the Governance, Risk and Best Value Committee (GRBV) for information and scrutiny.

4. Main report

Disclosures

- 4.1 During the reporting period Safecall received 70 disclosures in total, this is a significant increase from the 48 reported in the previous year. The total number of disclosures received is now significantly higher than the average for Safecall's client base (both public and private sector) of approximately 1 per 500 employees per annum, which equates to 37-38 referrals for the Council's staff group.
- 4.2 The total for the year includes several disclosures relating to the same issue, as has happened in previous years, and has an impact when making comparisons with Safecall's average.

Category of disclosure	Number of disclosures					
	2018	2019	2020	2021	2022	
Major/significant	0	2 (1)	6 (2)	1 (1)	9 (4)	
Minor/operational	21 (1)	17 (6)	32 (4)	39 (7)	51 (7)	
Still to be determined	-	-	2 (1)	2 (1)	5	
Non-qualifying	5 (0)	1 (0)	3 (0)	6 (0)	5	
Total	26	20	43	48	70	

Number of management referrals in brackets

Investigations

- 4.3 Thirty-four investigations (relating to forty-one disclosures) were completed during the reporting period with outcomes and management action reported quarterly to GRBV.
- 4.4 Forty-nine investigations, relating to sixty-five disclosures, are ongoing and will be reported to GRBV upon completion.
- 4.5 There were five reports that did not qualify as disclosures under the Whistleblowing Policy but, where possible, checks were carried out and alternative action was taken where required.
- 4.6 Recommendations resulting from investigations have continued to result in amendments to policy, improvements to procedures and processes, the development of best practice and improved service delivery, as set out in the individual reports.
- 4.7 Where there is an open line of communication with the whistleblower, feedback during and on the outcome of an investigation has been provided. Where this has not been possible information has been recorded for dissemination to the whistleblower should they make contact in the future.

Review of Operational Arrangements

4.8 A full review of operational arrangements commenced during the final quarter, including: communications; whistleblower engagement; process review; records management; case management; GRBV reporting; investigations and outcome management; the service provider contract; training and Speak Up Champions. The programme of work includes all whistleblowing related recommendations and observations from the Susanne Tanner KC led Inquiry and Review (I&R) and all actions agreed at the GRBV Whistleblowing Workshop in November 2022.

Resources

4.9 The I&R Action Plan provided funding for three Governance Officer (GR8) posts as additional resource for whistleblowing. These officers are now in post and will be key in delivering the I&R Action Plan recommendations and sustaining service improvements in the longer term.

Policy Review

4.10 The revised policy, drafted by Pinsent Masons, has been shared with key stakeholders and feedback incorporated into an updated version that has been shared with trade unions for their consideration.

5. Next Steps

- 5.1 Dedicated resource will be focussed on delivery of the I&R Action Plan recommendations directly related to implementation of the new policy and toolkit, and the whistleblowing case life cycle specifically, over the first two quarters of 2023.
- 5.2 In the meantime, the interim improvements to process and reporting will be sustained.
- 5.3 GRBV members will meet with trade union representatives to discuss the final version prior to approval by the Policy & Sustainability Committee.

6. Financial impact

6.1 The cost of the whistleblowing service, including investigation costs, for the year 1 January to 31 December 2022 was £40,675.22 (exclusive of VAT).

7. Stakeholder/Community Impact

- 7.1 The whistleblowing policy was developed and agreed in order to complement management reporting arrangements and to ensure all matters at the Council are fully transparent and officers are accountable.
- 7.2 The aim of the policy and the appointment of an independent service provider is to empower employees to report suspected wrongdoing as early as possible in the knowledge that their concerns will be taken seriously and investigated appropriately; that they will be protected from victimisation and other forms of detriment; and that their confidentiality will be maintained.
- 7.3 The whistleblowing policy, and subsequent reviews, have been consulted on with the trades unions to secure a local agreement.
