

QUESTION NO 18

**By Councillor Booth for answer by
the Leader of the Council at a
meeting of the Council on 16 March
2023**

Question

Further to his answer to my question on 9 February 2023, please can the council leader outline what the public health advantages are of his decision to reduce the size of the licensing board from 10 members to 9 members, and in so doing to remove the second Green member of the board?

Answer
