Description of Proposal

Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: *
(Max 500 characters)

Change of use from Private Residential to commercial letting

Type of Application

What type of application did you submit to the planning authority? *

- Application for planning permission (including householder application but excluding application to work minerals).
- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? *

- Refusal Notice.
- Grant of permission with Conditions imposed.
- No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: * (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

This was refused on grounds "Inappropriate Uses in Residential Area" & "Loss of Residential Accommodation". It is inconsistent, as another application for change of use in the same building - 22/03698/CLE, Flat 33 89 Holyrood Road Edinburgh was approved. I would like to know how different for this flat these 2 grounds could be different for 2 flats in the same development. I've spent £1200 for 2 properties, and waited over 6 months (not 30 days as promised) to seemingly get stock answers.

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? *

Yes No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: * (Max 500 characters)

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: * (Max 500 characters)

Review Procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Can this review continue to a conclusion, in your opinion, based on a review of the relevant information provided by yourself and other parties only, without any further procedures? For example, written submission, hearing session, site inspection. *

In the event that the Local Review Body appointed to consider your application decides to inspect the site, in your opinion:

Additional Comments on Application

As there was not enough space on the form I'd like to continue to outline why I don't believe the grounds for refusal are justified.

Loss of residential Accommodation – This flat is clearly within a tourist area, right beside Parliament and the Royal mile, there is a need for quality short term let housing near the Parliament and also for tourists, especially in the festival (one that is licenced and follows all the regulations – rather than someone renting out their bedroom).

Inappropriate Uses in Residential Areas - The Flat is already registered as an FHL and has been operating for years without problems. It is on the 1st floor and there is a lift in the building so has little impact on other flats using the stairs. The managing company – Pass The Keys - screens potential guests and does not allow for those who have engaged in anti-social behaviour. The flat cannot be instantly booked. It is mainly rented out to families.

The fact that another flat in the same building was approved for change of use earlier in the year suggests an inconsistency as the above grounds are the same for both apartments and should be applied consistently to both: Application: 22/03698/CLE - Flat 33 89 Holyrood Road Edinburgh EH8 8BA
