Executive Summary

The City of Edinburgh Council has been notified of parades which are proposed for September and October 2023.

The Council has limited powers in respect of parades. It can take no action and the parade would proceed as the organisers intend. Alternatively, it has the power to attach conditions or, under limited circumstances, to ban the parade. The Committee needs to decide whether to exercise any of these options.

In January 2018 the Regulatory Committee decided to continue the practice that all marches involving the High Street must be submitted for Committee consideration.

Proposed Parades: September - October 2023

1. Recommendations

- 1.1 It is recommended that the Committee makes orders in respect of the proposed parades, attaching standard conditions (Appendix 2).

2. Background

- 2.1 Under the Civic Government (Scotland) Act 1982, anyone organising a parade or procession in Scotland must notify the appropriate local authority and the police at least 28 days prior to the date of the event.
- 2.2 The City of Edinburgh Council has been notified of intent to hold the following events in the city (further details in Appendix 1):

	Name	Date
a	End Fossil Fuels	16 September 2023
b	March for Independence	7 October 2023
c	Boys' Brigade Band Tour	26 October 2023

- 2.3 The organisers of parade (a) have confirmed that they do not wish to use the High Street and that the indication on the notification form (Appendix 1) was made in error. However the organisers' preferred route crosses Princes Street, and so the notification has been referred for the Committee's information and review.
- 2.4 It is proposed that parades (b) and (c) will take place and use the High Street.
- 2.4 The Council has limited powers available regarding the control of parades. These powers should only normally be exercised to prevent public disorder, risk to public safety, damage to property or excessive disruption to the life of the community. 3. Main report

- 3.1 The notification forms relevant to the proposed parades are attached at Appendix 1.
- 3.2 Officers recommend that the standard conditions (Appendix 2) remain sufficient to mitigate any possible disruption to the community.
- 3.3 Representatives of the relevant organisations will be invited to address the Committee regarding the proposed parades.

4. Measures of success

- 4.1 That the Council discharges its statutory duties in respect of this notification.
- 4.2 That any parade is facilitated wherever possible and is managed in a way that minimises potential disruption to the life of the community.

5. Financial impact

- 5.1 None arising directly from this report.
- 5.2 Council resources may need to be deployed on the day, in particular with respect to any road closures.

6. Risk, policy, compliance and governance impact

- 6.1 Should the Committee decide to restrict or prohibit any procession, the persons proposing to hold the procession may appeal against that decision to the Sheriff Court within 14 days of written reasons being received by them.

7. Equalities impact

- 7.1 In coming to a decision, the Committee will have to consider the rights of the procession organisers to stage their procession, and the Council's duty to foster good relations and ensure the protection of public order and safety. These must be discharged against the relevant statutory duties.

8. Sustainability impact

- 8.1 Not applicable.

9. Consultation and engagement

- 9.1 Statutory consultation has taken place regarding the parades.
