Description of Proposal

Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: *
(Max 500 characters)

Planning permission for change of use to a short term let property Ref: 23/00042/FULSTL

Type of Application

What type of application did you submit to the planning authority? *

- Application for planning permission (including householder application but excluding application to work minerals).
- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? *

Refusal Notice.

Grant of permission with Conditions imposed.

No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: * (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

Please place this review of planning on hold until we hear the outcome of the 2nd judicial review due later this year against CEC to address the blanket ban in place for change of use to short term let. Following the result of the 1st JR, it's likely that the judge may rule that the refusal of all applications based on hou 7 is unlawful and it should be based on a case by case basis such as mine where I meet the criteria of being aproven responsible host and have full support from the neighbours

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? *

Yes No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: * (Max 500 characters)

The case for the 2nd judicial review against planning permission had not started when I applied in Jan 23. This is due to be raised later this year where the outcome is expected to change the way planning permission is handled by CEC. I have full support from the neighbours for change of use and can provide a signed petition from them if this will assist the review. If not, please place this application on hold until the after the result of the 2nd JR where the approval guidelines will change

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: * (Max 500 characters)

I can obtain a supporting signed petition from all my neighbours if this will help my case for change of use- please advise if this should be submitted

Please provide the application reference no. given to you by your planning authority for your previous application.
