The EDI Group – annual update for the year ending 31 December 2022

2. Executive Summary

- 2.1 This report updates members on the progress of the transition strategy for The EDI Group Limited, which aims to close it and its subsidiary companies.

3. Background

- 3.1 The EDI Group Limited (EDI) is an arm's length company of the Council.
- 3.2 On [7 February 2017](#) and [23 February 2017](#), the Economy Committee and the Finance and Resources Committee respectively agreed to close EDI and its subsidiaries and bring certain activities and assets in-house. On [2 November 2017](#), the Housing and Economy Committee agreed a transition strategy for the closure.

4. Main report

- 4.1 The transition strategy continues to be implemented. All ongoing projects are now delivered by Council officers and the majority of EDI assets have transferred to the Council or otherwise disposed of. Most group companies are now in liquidation.
- 4.2 The EDI Board, comprising two elected members, continues to meet quarterly. A scheme of delegation has been agreed which enables minor and routine decisions to be taken by Council officers.
- 4.3 Appendix 1 provides an update on each remaining project and Appendix 2 sets out the residual property assets held by the EDI group.
- 4.4 The audited consolidated financial statements for The EDI Group Limited, for the year ending 31 December 2022, were approved by the EDI Board on 17 August 2023. The overall financial performance was a net loss of £0.655m (compared to a restated net profit of £0.818m in the year ending 31 December 2021) and retained earnings of negative £2.348m (compared to negative £1.693m in the year ending 31 December 2021). The cash balance was £4.317m as of 31 December 2022 (compared to £3.235m in the year ending 31 December 2021).

- 4.5 The independent auditor opined that the statements gave a true view of the state of the company and were properly prepared in line with International Financial Reporting Standards and the requirements of the Companies Act 2006. The directors' report and consolidated financial statements (including the independent auditor's report) are attached as Appendix 3.

5. Next Steps

- 5.1 The company activities will continue through to full corporate closure and annual update reports will continue to be provided to Committee.

6. Financial impact

- 6.1 The projected special dividend to the Council from closing EDI is currently forecast to be no less than £8.0m. This is a reduction on the original forecast figure of £8.5m, reflecting the loss sustained by EDI on the Market Street hotel development, write-downs on property valuations associated with COVID-19, and higher than anticipated tax liabilities on the sale of land at Brunstane East.

7. Equality and Poverty Impact

- 7.1 N/A.

8. Climate and Nature Emergency Implications

- 8.1 N/A.

9. Risk, policy, compliance, governance and community impact

- 9.1 N/A.

10. Background reading/external references

11. Appendices

- 11.1 Appendix 1 – Project updates.
- 11.2 Appendix 2 – Residual property assets held by EDI.
- 11.3 Appendix 3 – The EDI Group Limited: Directors' report and consolidated financial statements for the year ended 31 December 2022.

Appendix 1 – Project updates

Market Street (EDI Market Street Limited)	
Description Subsidiary company of EDI set up to take forward a hotel development on Market Street.	
Position as of Q4 2023 The Market Street hotel achieved practical completion in November 2018. Council officers acting on behalf of EDI have settled financial claims with the purchaser and the contractor. All transactions have been completed and this company is no longer needed. This company is now in liquidation.	
RAG status	Green
Granton Waterfront (Waterfront Edinburgh Limited; Waterfront Edinburgh (Management) Limited; Caledonia Waterfront (Harbour Road) Limited)	
Description (Formerly) land and buildings at Granton Waterfront	
Position as of Q4 2023 The land and buildings wholly owned by Waterfront Edinburgh have been transferred to the Council and now form part of the wider Granton Waterfront regeneration project led by the Housing and Regeneration service. Waterfront Edinburgh (Management) Limited has now been dissolved while Waterfront Edinburgh Limited is in liquidation. A residual land interest has been identified which is in the process of being resolved. Caledonia Waterfront (Harbour Road) Limited is a joint venture in which The EDI Group Limited owns a 42.5% stake. The company cannot be wound-up until an agreement has been reached with the joint venture partner. It has been agreed in principle that, if an agreement cannot be reached timeously, EDI will seek to transfer its interest in the joint venture to C. E. C. Holdings Limited to allow EDI to be wound-up. Tax advice has been taken on the optimal approach to executing this transfer.	
RAG status	Amber
Craigmillar (PARC Craigmillar Limited; PARC Craigmillar Developments Limited)	
Description Land and buildings at Craigmillar.	
Position as of Q4 2023 PARC Craigmillar holds two residual assets: the White House and the South Park at Greendykes. Legal agreements to which PARC Craigmillar was a party have been novated to the Council. It is now anticipated that the remaining assets will transfer to the Council in early-2024, following which the Board will be requested to approve the closure of PARC Craigmillar Limited. PARC Craigmillar Developments Limited is now in liquidation.	
RAG status	Green
Brunstane (The EDI Group Limited)	
Description A housing development site with planning permission in place on land owned by EDI and option agreement in place with adjoining landowner. The Council also has an entitlement for profit share in relation to access rights.	
Position as of Q4 2023 The sale of the west field at New Brunstane concluded missives in mid-2021. The east field at New Brunstane is currently being sold. Following the sale of the east field, the closure of EDI can begin.	
RAG status	Green

Fountainbridge (EDI Fountainbridge Limited)	
Description EDI Fountainbridge formerly took forward the development of a site at Fountainbridge.	
Position as of Q4 2023 The Council has now appointed Cruden Homes as the pre-development partner for the redevelopment of the site. The work in progress held by EDI Fountainbridge was not of value to the Council and was written off. All transactions have been completed and this company is no longer needed. The company is now in liquidation.	
RAG status	Green
Castle Terrace car park (EDI Central Limited)	
Description EDI Central was formerly entitled to payments in connection with a lease arrangement at the Castle Terrace car park.	
Position as of Q4 2023 All payments due to EDI Central have been received and paid up to The EDI Group. All transactions have been completed and this company is no longer needed. The company is now in liquidation.	
RAG status	Green
Shawfair (Shawfair Land Limited)	
Description Shawfair Land formerly held a security over land at the South East Wedge.	
Position as of Q4 2023 Shawfair Land has released the security in return for a cash payment which has been paid up to The EDI Group. All transactions have been completed and this company is no longer needed. The company is now in liquidation.	
RAG status	Green
Joint ventures (Buredi Limited, New Laurieston (Glasgow) Limited)	
Description Inactive joint venture companies.	
Position as of Q4 2023 Agreement has been reached with joint venture partners to close the two companies. Buredi Limited has been struck-off. The striking-off of New Laurieston (Glasgow) Limited, which is being taken forward by The Miller Group, is ongoing.	
RAG status	Green
Dormant subsidiaries (EDI (Industrial) Limited, Edinburgh Retail Investments Limited))	
Description Dormant subsidiary companies.	
Position as of Q4 2023 Both companies were struck-off in 2019.	
RAG status	Green
The EDI Group Limited (remainder of company)	
Description The parent company of all subsidiaries.	
Position as of Q4 2023 Other than New Brunstane and shares in the joint venture company Caledonia Waterfront (Harbour Road) Limited, no projects sit directly within the parent company. The projected company closure date is now expected to be 2024 as some transactions will now complete during 2023.	
RAG status	Amber

Appendix 2 – Residual property assets held by EDI

Asset	Owner	Status
South Park, Greendykes (MID168446)	PARC Craigmillar Limited	Land at Greendykes, Craigmillar on which the South Park (a new park with SUDS infrastructure beneath it) has been developed. The land is planned to be sold to the Council in 2024 once long-term maintenance arrangements have been agreed. It is assumed to have nil value.
White House, 70 Niddrie Mains Road (MID2609)	PARC Craigmillar Limited	A historic former roadhouse in Craigmillar, currently leased to Community Alliance Trading Enterprises Limited which operates as a restaurant and function space. On 27 April 2022, the Board approved in principle the transfer of the asset to the Council. Council officers are now negotiating a new lease with the sale to the Council expected to be executed in early-2024.
Land at New Brunstane (MID92904)	The EDI Group Limited	Greenfield development land at Brunstane owned by The EDI Group Limited. The West Field (25 hectares) has been sold to Dandara East Scotland Limited for a housing development of 641 to 676 units. The sale of the East Field (14 hectares of developable land, with an estimated capacity of 464+ units), is underway, with a preferred bidder selected.
West Harbour Road, plots D & E (MID120543)	The EDI Group Limited	Brownfield development land at West Harbour Road in Granton Waterfront owned by the joint venture company Caledonia Waterfront (Harbour Road) Limited in which The EDI Group Limited (WEL) owns a 42.5% interest with the remainder being owned by Caledonian Regeneration Investments Limited (CRIL).
Land at West Shore Road (MID108695)	Waterfront Edinburgh Limited	A small plot of land south of West Shore Road, ultimately subleased to SP Energy Networks for a substation.

THE EDI GROUP LIMITED

Strategic Report

For the year ended 31 December 2022

The Directors present their strategic report and audited financial statements for the 2022 financial year.

Principal activities, business review and future developments

The EDI Group Limited (EDI) is a company limited by shares which is incorporated and domiciled in Scotland. It is a wholly owned subsidiary of the City of Edinburgh Council and run as an arm's length operation with the role of investing in the development of land and buildings which are surplus to the Council's operational requirements and leading on the property aspects of regeneration in specific areas of the City.

In February 2017 the Council conducted a review of its approach to the use of surplus land and its interactions with the property market. The Council concluded that the group will have no future pipeline of projects and therefore took the decision that the group and this company should begin a process of managed closure. The Council as shareholder has instructed the Directors to begin this process.

The company has now ceased development activities with the majority of the land and buildings transferred to the Council in May 2018 and the remaining land at Greendykes and Brunstane subject to sale negotiations. There has been, and will continue to be, a minimal level of development and property related activity for the remainder of the company's lifespan. Non-property assets will be realised in accordance with their contractual terms and external liabilities and obligations will be settled in full. Financial projections for the closure process show that the group will have sufficient funds to meet all external liabilities and obligations and to repay share capital in full. The intention is that each company will become dormant with a timespan covering 2 to 7 years.

Current development activity

The sale of land at Brunstane West is expected to complete in 2023, while land at Brunstane East is currently being marketed.

Our performance

The financial performance of the group in 2022 was a net loss of £655k compared to a profit of £818k in 2021. Retained earnings decreased from negative £1.7m to negative £2.3m. The major factor influencing the year's results has been administrative expenses with no sales.

The group had a cash balance of £4.3m (2021: £3.3m). The sales expected in 2023 will be profitable and will bring retained earnings into a positive position which would enable a dividend to be declared subject to Board approval, in line with the transition strategy.

Risks and environment

Although the scope of our activity has reduced significantly, the risk factors influencing the remaining assets are a combination of the general economy of Edinburgh and the national housing market. The Shareholder and the Directors recognise that the process of managing the completion of our current activities and transition of the remaining projects to Council control and management has brought specific financial, legal, administration and people risks, and these have been managed.

THE EDI GROUP LIMITED

Directors' Report

For the year ended 31 December 2022

The Directors present their annual report and audited financial statements for the year ended 31 December 2022.

Principal activities and business review

Details of principal activities, market circumstances and risk and performance indicator are included in the Strategic Report. The results for the year are set out on page 9.

There were no dividends paid during the financial year (2021: nil).

Directors

The Directors who held office during the year, and subsequently, were as follow:

K Campbell	(resigned 30 June 2022)
L Cameron	(resigned 30 June 2022)
I Whyte	
J Meagher	(appointed 30 June 2022)

Political and charitable contributions

The company made no political or charitable contributions during the year.

Going concern

As described in the Strategic Report, the group's ultimate shareholder, The City of Edinburgh Council, has concluded that the group should begin a process of closure. The Group has now ceased development activities other than the sale of remaining land at Greendykes and Brunstane.

The opinion of the Directors is that the decision of the shareholder and the active implementation of the decision will lead to the company ceasing to trade in the future and it is therefore not appropriate to prepare the accounts on a going concern basis.

The closure strategy approved by both the shareholder and the Directors is that all land and buildings which are not actively in development will transfer to the Council at book value and all liabilities due to the Council will be settled at book value. Much of this activity has now concluded or is in the process of concluding. Third party financial assets will be realised and third party liabilities will be settled according to their contractual terms.

In these accounts each asset and liability will be valued to reflect the closure strategy intention for that asset or liability. The details are described in the notes.

The Company, and the Group, as part of a regular evaluation of liquidity risk, has modelled the principal risks and uncertainties in its cash flow projections for the envisaged closure strategy. After discussions with the shareholder and after assessing the availability of cash balances under a range of scenarios, the Directors have formed the opinion that the Company has sufficient resources to meet all external liabilities and obligations and to repay its share capital in full.

Directors' responsibilities statement

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the group and parent company financial statements in accordance with UK adopted International Accounting Standards and the requirements of the Companies Act 2006.

THE EDI GROUP LIMITED

Directors' Report (continued)

For the year ended 31 December 2022

Directors' responsibilities statement (continued)

Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable IFRSs have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group and company's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006 and, as regards the group financial statements, Article 4 of the IAS Regulation. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditor

We, the Directors of the company who held office at the date of approval of these financial statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the company's auditor is unaware; and
- we have taken all the steps that we ought to have taken as Directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

Azets Audit Services are deemed to be re-appointed under section 487(2) of the Companies Act 2006.

This report was approved by the board on 15 August 2023 and signed on its behalf by:

THE EDI GROUP LIMITED

Independent Auditor's Report to the Members of The EDI Group Limited

For the year ended 31 December 2022

Opinion

We have audited the financial statements of The EDI Group Limited for the year ended 31 December 2022 which comprise Consolidated and Parent Company Statement of Profit or Loss, Consolidated and Parent Company Statement of Financial Position, Consolidated and Parent Company Statement of Changes in Equity, Consolidated and Parent Company Statement of Cash Flows and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and UK adopted International Accounting Standards.

In our opinion:

- the financial statements give a true and fair view of the state of the group and parent company's affairs as at 31 December 2022 and of the group's loss for the year then ended;
- the group financial statements have been properly prepared in accordance with UK adopted International Accounting Standards;
- the parent company financial statements have been properly prepared in accordance with UK adopted International Accounting Standards; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of matter – Basis of preparation

We draw attention to note 2b in the financial statements, which describe the basis of preparation. The Directors have prepared the financial statements on a basis other than going concern as the group has begun a process of closure and ceased all development activities other than the sale of remaining land.

THE EDI GROUP LIMITED

Independent Auditor's Report to the Members of The EDI Group Limited (continued)

For the year ended 31 December 2022

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement set out on pages 3 and 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the group and parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

THE EDI GROUP LIMITED

Independent Auditor's Report to the Members of The EDI Group Limited (continued)

For the year ended 31 December 2022

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the Financial Reporting Council's website, to detect material misstatements in respect of irregularities, including fraud.

We obtain and update our understanding of the entity, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the entity is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included:

- Enquiry of management and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud;
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the financial statements or the operations of the company through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management bias and override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for indicators of potential bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Notes to the Financial Statements

For the year ended 31 December 2022

1. Presentation of financial statements

The company's financial statements have been prepared in accordance with UK adopted International Accounting Standards and as applied in accordance with the provisions of the Companies Act 2006.

New accounting standards adopted during the year

Adoption of new and revised standards

The Group has adopted, where applicable, the following new and amended IFRSs as of 1 January 2022:

- Annual Improvements to IFRS: 2018 – 2020 Cycle
- IFRS 3; Business Combinations (Amendment – Conceptual Framework)
- IAS 37; Provisions, Contingent Liabilities and Contingent Assets (Amendment – Onerous Contracts – Cost of Fulfilling a Contract)
- IAS 16; Property, Plant and Equipment (Amendment – Proceeds before Intended Use)

Other new standards, amendments to standards and interpretations that are mandatory for the first time in 2022 are considered to have no significant or material effect on the Group's financial statements.

Guidance in issue but not in force

IAS 8 requires disclosure of guidance in issue but not in force. The minimum disclosure relates to guidance issued by 31 December 2022, and with potential effect.

Effective for periods beginning on or after	Effective for periods beginning on or after
IFRS 17; Insurance Contracts (including amendments issued on 25 June 2020)	1 January 2023
IAS 1; Presentation of Financial Statements (Amendment – Classification of Liabilities as Current or Non-Current, including deferral or effective date)	1 January 2023
IAS 1; Presentation of Financial Statements and IFRS Practice Statement 2 (Amendment – Disclosure of Accounting Policies) (issued on 12 February 2021)	1 January 2023
IAS 8; Accounting Policies (Amendment – Changes in Accounting Estimates and Errors; Definition of Accounting Estimates) (issued on 12 February 2021)	1 January 2023
IAS 12; Income Taxes (Amendment – Deferred Tax related to Assets and Liabilities arising from a single transaction) (issued on 7 May 2021)	1 January 2023
Lease Liability in a Sale and Leaseback (Amendment to IFRS 16)	1 January 2024
IAS 1 Presentation of Financial Statements (Amendment – Classification of Liabilities as Current or Non-Current)	1 January 2024
IAS 1 Presentation of Financial Statements (Amendment – Non-current Liabilities with Covenants)	1 January 2024

The Directors have reviewed the requirements of the new standards and interpretations listed above and they are either not applicable or not expected to have a material impact on the Group's financial statements in the period of initial application.

2. Statement of significant accounting policies

The consolidated financial statements of The EDI Group Limited have been prepared in accordance with UK adopted International Accounting Standards in accordance with the provisions of the Companies Act 2006.

The report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

a. Basis of consolidation

The consolidated financial statements are prepared by combining the financial statements of all the entities that comprise the economic entity, being the company (the Parent Company) and its controlled entities as defined in accounting standard IAS 27 "Consolidated and Separate Financial Statements". A list of controlled entities appears in note 10 to the financial statements. Consistent accounting policies are employed in the preparation and presentation of the consolidated financial statements.

All inter-company balances and transactions between entities in the economic entity, including any unrealised profits or losses, have been eliminated on consolidation.

Where a controlled entity has left the economic entity during the year its operating results have been included until the date control ceased.

b. Going concern

The opinion of the Directors is that the decision of the shareholder to cease development activities and the active implementation of that decision will lead to the company ceasing to trade in the future and it is therefore not appropriate to prepare the accounts on a going concern basis.

The closure strategy approved by both the shareholder and the Directors is that all land and buildings which are not actively in development will transfer to the Council at book value and all liabilities due to the Council will be settled at book value. Third party financial assets will be realised and third party liabilities will be settled according to their contractual terms

In these accounts each asset and liability will be valued to reflect the closure strategy intention for that asset or liability. The details are described in the notes.

The Company, and the Group, as part of a regular evaluation of liquidity risk, has modelled the principal risks and uncertainties in its cash flow projections for the envisaged closure strategy. After discussions with the shareholder and after assessing the availability of cash balances under a range of scenarios, the Directors have formed the opinion that the Company has sufficient resources to meet all external liabilities and obligations and to repay its share capital in full.

2. Statement of significant accounting policies (cont'd)

c. Investments in associates and joint ventures

The group's share of its associates' / joint ventures' post-acquisition profits or losses is recognised in the income statement, and its share of post-acquisition movements in reserves is recognised in reserves. The cumulative post-acquisition movements are adjusted against the carrying amount of the investment. When the group's share of losses in an associate / joint venture equals or exceeds its interest in the associate / joint venture, including any other unsecured receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate / joint venture.

Unrealised gains on transactions between the group and its associates / joint ventures are eliminated to the extent of the group's interest in the associates / joint ventures. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of associates have been changed where necessary to ensure consistency with the policies adopted by the group.

In the case of New Laurieston (Glasgow) Limited, The EDI Group's share of losses exceed the value of its interest in the company, therefore no further losses have been recognised.

In the case of Caledonia Waterfront (Harbour Road) Limited, the investment is exempt from being consolidated using the equity accounting method as permitted by paragraph 17 of IAS 28 "Investments in Associates and Joint Ventures". Instead, the investment is accounted for at cost less provision for permanent impairment in the financial statements.

d. Income tax

The charge for income tax expense for the year is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that it is probable that future profits will be available against which deductible temporary differences can be utilised.

The amount of benefit brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

2. Statement of significant accounting policies (cont'd)

d. Income tax (cont'd)

In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction which affects neither the tax profit nor the accounting profit.

e. Inventories

Inventory is stated at the lower of cost and net realisable value. Cost relates to purchase costs and direct labour costs incurred in bringing the inventories up to a saleable state.

f. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in income in the period in which they are incurred.

g. Impairment

The carrying value of all assets are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired.

The recoverable amount of all assets is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which it belongs, unless the asset's value in use can be estimated to be close to its fair value.

An impairment exists when the carrying value of the asset or cash-generating units exceeds its estimated recoverable amount. The asset or cash-generating unit is then written down to its recoverable amount.

For the year ended 31 December 2022

2. Statement of significant accounting policies (cont'd)

h. Financial instruments

Financial instruments are measured initially at cost, which is the fair value of what was paid or received to acquire or incur them.

After initial recognition, financial assets and liabilities may be classified into the following categories: financial assets or liabilities at fair value through profit or loss; held to maturity investments; available for sale financial assets; loans and receivables and other financial liabilities at amortised cost.

The company has the following categories of financial assets and liabilities:

Trade and other receivables

Trade and other receivables are initially measured at fair value, which is the original invoice amount, and subsequently measured at amortised cost, using the effective interest method. A provision for impairment is accounted for when management deems that specific receivable balances will not be collected. The amount of the impairment loss is recognised in the income statement. Bad debts are written off when they are identified as being irrecoverable.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Trade and other payables

Trade payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method, unless the effect would not be material.

i. Investment property

Investment property is property held to generate rental income and/or for capital appreciation.

The value at the balance sheet date reflects the net realisable of this property.

j. Investments

Investments in subsidiary and associated undertakings are stated at cost less provision for permanent impairment.

k. Revenue

Revenue is measured at the fair value of consideration received from income from the group's ordinary activities. Revenue is stated received net of discounts, sales and other taxes. Revenue from sales is recognised when persuasive evidence of an arrangement exists, the significant risks and rewards of ownership have been transferred to the buyer, the price is fixed and determinable and collectively probable.

Rentals receivable under operating leases are recognised in the income statement over the term of the lease on a straight line basis.

Revenue from dividend income is recognised when the rights of the shareholder to receive the payment are determined.

2. Statement of significant accounting policies (cont'd)

I. Critical accounting estimates and judgements

In applying the accounting policies, the Directors may at times, be required to make critical accounting judgements and estimates about the carrying amount of assets and liabilities. These estimates and assumptions, when made, are based on historical experience and other factors that the Directors consider are relevant.

Key estimates:

- i. *Investment property valuation* – the Directors assess the valuation of the investment property at each reporting date by evaluating conditions specific to the Group that may lead to a revaluation of the asset.
- ii. *Provisions* – provisions are based on estimated costs provided by external professionals. The Directors review provisions regularly to assess how reasonable and accurate they are.

m. Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

Further details of the provisions recognised in the year can be found at Note 15.

n. Value added tax

Revenues, expenses and assets are recognised net of the amount of value added tax (VAT), except:

- i. Where the amount of VAT incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. For receivables and payables, which are recognised inclusive of VAT.

The net amount of VAT recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The VAT component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

An investment property owned by the company was valued at £247,934 at 31 December 2021 by an internal Chartered Surveyor on the basis of open market value for existing use. The valuation was carried out in accordance with the Practice Statement in RICS Appraisal and Valuation Manual.

The value at the balance sheet date reflects the net realisable of this property.

The related rental income recognised in the Statement of Profit or Loss and Other Comprehensive Income was £nil (2021: £nil) along with direct operating expenses of £nil (2021: £nil).

The Scottish Ministers hold a standard security on a development property in respect of any amounts due to them by the company. The carrying value of this at the year-end is £nil (2021: £nil).

Under the fair value hierarchy in IFRS 13 – Fair Value Measurement, investment property is deemed to be level 2. Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

10. Fixed asset investments (continued)

As EDI Group has greater than 50% of the share capital in Parc Craigmillar Limited, it has been consolidated. Parc Craigmillar Limited made a loss of £483k (2021: profit of £1m) for the period ended 31 December 2022 and its aggregate capital and reserves at 31 December 2022 amounted to £7.6m (2021: £8m).

Where 50% or less of the share capital is held, the companies have been consolidated using the equity accounting method.

In the case of New Laurieston (Glasgow) Limited, The EDI Group's share of losses exceed the value of its interest in the company, therefore no further losses have been recognised.

In the case of Caledonia Waterfront (Harbour Road) Limited, the investment is exempt from being consolidated using the equity accounting method as permitted by paragraph 17 of IAS 28 "Investments in Associates and Joint Ventures". Instead, the investment is accounted for at cost less provision for permanent impairment in the financial statements. Caledonia Waterfront (Harbour Road) Limited was transferred from Waterfront Edinburgh Limited to The EDI Group Limited before the year-end.

During the year, the following investments were liquidated of which the company owed 100% of the share capital:

Infrastructure expenditure

Provisions for infrastructure expenditure required for completed projects in Parc Craigmillar Limited have been released in the year.

Work in progress

Provisions for work in progress relates to the potential write off to work in progress as the value is unlikely to be recoverable. The provision was utilised during the prior year.

Remedial works

In the year it was agreed between the City of Edinburgh Council and Parc Craigmillar Limited, that Parc Craigmillar Limited would make a contribution of £380,000 to allow for remedial works to be carried out on roads within its historical scope. A provision has therefore been recognised during the year.

21. Financial risk management (continued)

Capital risk management

The company aims to manage its overall capital structure to ensure it continues to operate on an ongoing basis within the broad timescales set out in the transition strategy. The company's capital structure represents the equity attributable to the shareholders of the company together with cash equivalents. The Directors are closely involved in the running of the company and are therefore fully aware of the capital position of the company at any point in time and any changes that circumstances bring. As a result they are in a position to address any issues that may arise on a timely basis.

Risk management objectives

The Board is charged with the overall responsibility of establishing and monitoring the group's risk management policies and processes in order to identify, analyse and monitor the risks that are faced by group. The group does not enter into or trade financial instruments for speculative purposes.

The main risks that the group is exposed to through its financial instruments are market risk, credit risk and liquidity risk. These are managed as follows:

Market risk

Market risk is the risk that the value of the company's properties and sites under development may fall resulting in further write-offs to the income statement. The company manages this risk by carrying out sensitivity analysis for fluctuations in the property market. Included in market risk is interest rate risk, which is the risk that the expected receipts from deposits may fluctuate due to market conditions. The company monitors this risk but it is very unlikely to affect the company's overall liquidity.

Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the group. It arises from exposure to customers and for the parent company, also from amounts owed by group undertakings.

The maximum exposure to credit risk to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

Credit risk is reviewed regularly by the Board of Directors and monitored by actively assessing the rating quality and liquidity of counterparties as follows:

- Only banks and institutions with an acceptable credit rating are utilised;
- All potential customers are rated for credit worthiness taking into account their size, market position and financial standing;
- Customers that do not meet the groups credit policies may only purchase in cash or using recognised credit cards.

Liquidity risk

Liquidity risk arises from the possibility that the group might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The group manages that risk as follows:

- Preparing forward looking cash flow analysis; and
- Ensuring that adequate unutilised borrowing facilities are maintained.=

21. Financial risk management (continued)

Fair values

In these accounts each asset and liability is valued to reflect its net recoverable value in line with the closure strategy in Note 2b.

22. Prior year restatement

The prior year consolidated figures reflected the elimination of group tax relief. However, the group tax relief was subsequently claimed out with the group.

A prior year restatement has therefore been processed to increase the income tax charge in the Consolidated Statement of Profit and Loss by £278k, resulting in a net tax charge of £276k. A corporation tax creditor of £278k has been recognised in the Consolidated Statement of Financial Position, reducing net assets by £278k.

23. Post balance sheet events

The sale of land at Brunstane West is expected to complete in 2023, while land at Brunstane East is currently being marketed.
