## Description of Proposal

Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: \*  
(Max 500 characters)

Change of Use to Short Term Let

## Type of Application

What type of application did you submit to the planning authority? \*

- Application for planning permission (including householder application but excluding application to work minerals).
- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? \*

- Refusal Notice.
- Grant of permission with Conditions imposed.
- No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

## Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: \* (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

Supporting statement is with attached documents.

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? \*

Yes  No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: \* (Max 500 characters)

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: \* (Max 500 characters)

- Location Plan - Existing Floor Plans - Refusal Letter - Supporting Statement - Handling Report

## Application Details

Please provide the application reference no. given to you by your planning authority for your previous application.

23/04960/FULSTL

What date was the application submitted to the planning authority? \*

25/09/2023

What date was the decision issued by the planning authority? \*

22/11/2023

## Review Procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Can this review continue to a conclusion, in your opinion, based on a review of the relevant information provided by yourself and other parties only, without any further procedures? For example, written submission, hearing session, site inspection. \*

Yes  No

In the event that the Local Review Body appointed to consider your application decides to inspect the site, in your opinion:

Can the site be clearly seen from a road or public land? \*

Yes  No

Is it possible for the site to be accessed safely and without barriers to entry? \*

Yes  No

## Checklist – Application for Notice of Review

Please complete the following checklist to make sure you have provided all the necessary information in support of your appeal. Failure to submit all this information may result in your appeal being deemed invalid.

Have you provided the name and address of the applicant?. \*

Yes  No

Have you provided the date and reference number of the application which is the subject of this review? \*

Yes  No

If you are the agent, acting on behalf of the applicant, have you provided details of your name and address and indicated whether any notice or correspondence required in connection with the review should be sent to you or the applicant? \*

Yes  No  N/A

Have you provided a statement setting out your reasons for requiring a review and by what procedure (or combination of procedures) you wish the review to be conducted? \*

Yes  No

Note: You must state, in full, why you are seeking a review on your application. Your statement must set out all matters you consider require to be taken into account in determining your review. You may not have a further opportunity to add to your statement of review at a later date. It is therefore essential that you submit with your notice of review, all necessary information and evidence that you rely on and wish the Local Review Body to consider as part of your review.

Please attach a copy of all documents, material and evidence which you intend to rely on (e.g. plans and Drawings) which are now the subject of this review \*

Yes  No

Note: Where the review relates to a further application e.g. renewal of planning permission or modification, variation or removal of a planning condition or where it relates to an application for approval of matters specified in conditions, it is advisable to provide the application reference number, approved plans and decision notice (if any) from the earlier consent.

## **Declare – Notice of Review**

I/We the applicant/agent certify that this is an application for review on the grounds stated.

Declaration Name: Mr Steven Wootton

Declaration Date: 29/11/2023

City of Edinburgh Council  
Local Review Body  
Waverley Court  
4 East Market Street  
EDINBURGH  
EH8 8BG

29 November 2023  
23060 / 3.1 / CL291123-09

Dear Sirs,

**13/3 Kings Stables Road, Edinburgh**

**Ref: 23/04960/FULSTL**

We write the following supporting statement to accompany the Local Review Body appeal for the above which has been submitted within 3 months of the determination date (17<sup>th</sup> May 2023).

We feel that the reasons stated in the Planning Refusal Notice were addressed in our original Planning Statement Revision A dated March 2023. In addition to this statement, we would like to add further comments to address the reasons given for refusal:

- 1. The proposal is contrary to Local Development Plan Policy Hou 7 in respect of Inappropriate Uses in Residential Areas, as the use of this property as a short term let will have a materially detrimental effect on the living conditions and amenity of nearby residents.*
- 2. The proposal is contrary to National Planning Framework Policy 30(e) in respect of Local Amenity and Loss of Residential Accommodation, as the use of this property as a short term let will result in an adverse impact on local amenity and the loss of a residential property has not been justified.*

The Grassmarket is already a popular tourist area in Edinburgh. The short term let will not affect the local residents any more than the numerous pubs on this street. The local residents will be aware that this will always be a lively street. There are plenty of hotels in the area which have received Planning and not have been said to effect the living conditions of the local residents. More money spent by tourists will enhance any local business and amenity's nearby. **The guests who stay are going to local museums, using local shops, restaurants, pubs and public transport which makes a major contribution to the local economy.**

Guests mostly use public transport and only about a quarter bring a car. Many guests who do bring a car tend to leave the car during their stay in the car park and use public transport.

We are not aware of any complaints that have been received from local residents since the property has been used as a short term let.

The scale of the flat and location should be taken into account when assessing this application. The flat's size limits the number of guests which controls possible noise issues. Most guests use public transport so no additional impact on parking is created.

The location of the flat means that it is already located within a busy tourist area and the property is close to local amenities, many of which are within walking distance, which would benefit from the guests staying.

In conclusion, the property would not cause a detrimental effect on the local amenity or character of the neighbourhood and would occupy an otherwise empty flat for most of the year.

We ask that this application is reviewed to take all evidence into account.

Yours faithfully,

Steven Wootton

Retrospective change of use to short term let.  
At 1F3 13 King's Stables Road Edinburgh EH1 2JY

**Application No: 23/04960/FULSTL**

**DECISION NOTICE**

With reference to your application for Planning Permission STL registered on 26 September 2023, this has been decided by **Local Delegated Decision**. The Council in exercise of its powers under the Town and Country Planning (Scotland) Acts and regulations, now determines the application as **Refused** in accordance with the particulars given in the application.

Any condition(s) attached to this consent, with reasons for imposing them, or reasons for refusal, are shown below;

**Reason for Refusal:-**

1. The proposal is contrary to Local Development Plan Policy Hou 7 in respect of Inappropriate Uses in Residential Areas, as the use of this property as a short term let will have a materially detrimental effect on the living conditions and amenity of nearby residents.
2. The proposal is contrary to National Planning Framework Policy 30(e) in respect of Local Amenity and Loss of Residential Accommodation, as the use of this property

as a short term let will result in an adverse impact on local amenity and the loss of a residential property has not been justified.

Please see the guidance notes on our [decision page](#) for further information, including how to appeal or review your decision.

Drawings 01, 02, represent the determined scheme. Full details of the application can be found on the [Planning and Building Standards Online Services](#)

The reason why the Council made this decision is as follows:

The proposal complies with section 64 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 as it will preserve or enhance the character or appearance of the conservation area.

The change of use of this property to a short term let will result in a loss of the residential accommodation and a negative impact to neighbouring amenity. Whilst it is recognised that there is an economic benefit to the City as a whole from the provision of visitor accommodation in this case it does not outweigh the loss of residential accommodation or the impact to neighbouring amenity. The proposal does not comply with Development Plan policy NPF4 policy 30(e) and LDP plan policy Hou 7. There are no material considerations that outweigh this conclusion. The proposal is unacceptable.

This determination does not carry with it any necessary consent or approval for the proposed development under other statutory enactments.

Should you have a specific enquiry regarding this decision please contact James Armstrong directly at [james.armstrong@edinburgh.gov.uk](mailto:james.armstrong@edinburgh.gov.uk).

**Chief Planning Officer**  
**PLACE**  
**The City of Edinburgh Council**

## NOTES

1. If the applicant is aggrieved by the decision to refuse permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under section 43A of the Town and Country Planning (Scotland) Act 1997 within three months beginning with the date of this notice. The Notice of Review can be made online at [www.eplanning.scot](http://www.eplanning.scot) or forms can be downloaded from that website. Paper forms should be addressed to the City of Edinburgh Planning Local Review Body, G.2, Waverley Court, 4 East Market Street, Edinburgh, EH8 8BG. For enquiries about the Local Review Body, please email [localreviewbody@edinburgh.gov.uk](mailto:localreviewbody@edinburgh.gov.uk).

2. If permission to develop land is refused or granted subject to conditions and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by carrying out of any development which has been or would be permitted, the owner of the land may serve on the planning authority a purchase notice requiring the purchase of the owner of the land's interest in the land accordance with Part 5 of the Town and Country Planning (Scotland) Act 1997.

# Report of Handling

**Application for Planning Permission STL  
1F3 13 King's Stables Road, Edinburgh, EH1 2JY**

**Proposal: Retrospective change of use to short term let.**

**Item – Local Delegated Decision  
Application Number – 23/04960/FULSTL  
Ward – B11 - City Centre**

## **Recommendation**

It is recommended that this application be **Refused** subject to the details below.

## **Summary**

The proposal complies with section 64 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 as it will preserve or enhance the character or appearance of the conservation area.

The change of use of this property to a short term let will result in a loss of the residential accommodation and a negative impact to neighbouring amenity. Whilst it is recognised that there is an economic benefit to the City as a whole from the provision of visitor accommodation in this case it does not outweigh the loss of residential accommodation or the impact to neighbouring amenity. The proposal does not comply with Development Plan policy NPF4 policy 30(e) and LDP plan policy Hou 7. There are no material considerations that outweigh this conclusion. The proposal is unacceptable.

## **SECTION A – Application Background**

### **Site Description**

The application site is a two bedroom flat located on the southern side of King Stables Road. The property shares its access to the street with other properties via a shared stair. King Stables Road is of mixed character featuring a both residential and commercial uses.

The application property is in the Old Town Conservation Area.

### **Description Of The Proposal**

The application is for the retrospective change of use of the property from residential to short term let (sui generis) (STL). No internal or external physical changes are proposed.

### **Relevant Site History**

## **Section B - Assessment**

### **Determining Issues**

Due to the proposed development falling within a conservation area, this report will first consider the proposals in terms of Section 64 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997:

- Is there a strong presumption against granting planning permission due to the development conflicting with the objective of preserving or enhancing the character or appearance of the conservation area?
- If the strong presumption against granting planning permission is engaged, are there any significant public interest advantages of the development which can only be delivered at the scheme's proposed location that are sufficient to outweigh it?

This report will then consider the proposed development under Sections 24, 25 and 37 of the Town and Country Planning (Scotland) Act 1997 (the 1997 Act):

Having regard to the legal requirement of Section 24(3), in the event of any policy incompatibility between National Planning Framework 4 (NPF4) & Edinburgh Local Development Plan 2016 (LDP) the newer policy shall prevail.

Do the proposals comply with the development plan?

If the proposals do comply with the development plan, are there any compelling material considerations for not approving them?

If the proposals do not comply with the development plan, are there any compelling material considerations for approving them?

In the assessment of material considerations this report will consider:

- equalities and human rights;
- public representations; and
- any other identified material considerations.

## **Assessment**

### **a) The proposals harm the character or appearance of the conservation area?**

Section 64(1) of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 states:

"In exercise, with respect to any buildings or other land in a conservation area, of any powers under any of the provisions in subsection (2), special attention shall be paid to the desirability of preserving or enhancing the character or appearance of that area."

The Old Town Conservation Area Character Appraisal emphasises the survival of the original medieval street pattern; the wealth of important landmark buildings; the survival of an outstanding collection of archaeological remains, medieval buildings, and 17th-century town houses; the consistent and harmonious height and mass of buildings; the importance of stone as a construction material for both buildings and the public realm; the vitality and variety of different uses; and the continuing presence of a residential community.

As stated previously, there are no external changes proposed. The change of use will not impact on the character or appearance of the conservation area. Therefore, the

proposal does not conflict with the objective of preserving or enhancing the character or appearance of the conservation area.

### **Conclusion in relation to the conservation area**

The proposals comply with Section 64 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997.

### **b) The proposals comply with the development plan?**

National Planning Framework 4 (NPF4) was adopted by the Scottish Ministers on 13 February 2023 and forms part of the Council's Development Plan. NPF4 policies supports the planning and delivery of Sustainable Places, Liveable Places and Productive Places and are the key policies against which proposals for development are assessed. Several policies in the Edinburgh Local Development Plan (LDP) are superseded by equivalent and alternative policies within NPF4.

The relevant NPF4 and LDP 2016 policies to be considered are:

- NPF4 Sustainable Places Tackling the climate and nature crises Policy 1.
- NPF4 Productive Places Tourism Policy 30.
- NPF4 Historic Assets and Places Policy 7.
- Local Development Plan Housing Policy, Hou 7.
- Local Development Plan Transport Policies, Tra 2 and Tra 3

The non-statutory Listed Building and Conservation Area Guidance is a material consideration when considering NPF 4 Policy 7.

The non-statutory Guidance for Business (April 2023) is a material consideration that is relevant when considering LDP Policy Hou 7 and the Edinburgh Design Guidance is a material consideration when considering LDP Policies Tra 2 and Tra 3.

### Conservation Area

The impact on the conservation area was assessed in section a). There are no external or internal works proposed and as such there will not be a significant impact on historic assets and places.

The proposal complies with NPF 4 Policy 7.

### Proposed use

With regards to NPF 4 Policy 1, the proposed change of use does not involve operational development resulting in physical changes to the property. The proposals will have a negligible impact on the global climate and nature crisis.

NPF 4 Policy 30 seeks to encourage, promote and facilitate sustainable tourism development which benefits local people, is consistent with our net zero and nature commitments, and inspires people to visit Scotland. Criterion 30 (e) specifically relate to STL proposals.

LDP Policy Hou 7 (Inappropriate Uses in Residential Areas) seeks to protect residential amenity.

The non-statutory Guidance for Businesses (2023) states that an assessment of a change of use of dwellings to an STL will have regard to:

- The character of the new use and of the wider area;
- The size of the property;
- The pattern of activity associated with the use including numbers of occupants, the period of use, issues of noise, disturbance and parking demand and
- The nature and character of any services provided.

### *Amenity*

The proposed short term let shares its access to the street with other residential properties. The application property is located within an area of mixed character that has a moderate degree of activity during the day and night.

The use of the property as an STL would result in an increased frequency of movement to the property and within the shared stair, representing a pattern of movement that would be dissimilar to that of permanent residents. A transient visitor may also have less regard for neighbours' amenity than individuals using the property as a principal home, with resultant negative amenity impacts, particularly at night.

However, it is recognised that the amenity impacts of the application are in part mitigated by the likelihood that the additional servicing of the property necessitated by the change of use would be conducted during the daytime.

On balance, the proposed change of use would increase the level of ambient background noise beyond what might be reasonably expected by neighbouring residents, and have a significant detrimental effect on the living conditions and amenity of nearby residents. The proposal does not comply with NPF 4 policy 30(e) part (i) and LDP policy Hou 7.

### *Loss of residential accommodation*

NPF 4 policy 30 (e) part (ii) requires that where there is a loss of residential accommodation, this will only be supported where the loss is outweighed by demonstrable local economic benefits.

Paragraph 220 of the LDP acknowledges that tourism is the biggest source of employment in Edinburgh, providing jobs for over 31,000 people. The use of the property by guests and the required maintenance and upkeep of STL properties are likely to result in a level of job creation and spend within the economy which can be classed as having an economic benefit.

It is important to recognise that having the property within residential use also contributes to the economy, using local services and fulfilling employment opportunities across the City. Long term residents can also make consistent and long-term contributions to the local community.

The proposed change of use would result in a loss of residential accommodation, which, as there is a recognised need and demand for housing in Edinburgh, it is critical to retain the existing supply of where appropriate. In this instance, it has not been sufficiently demonstrated that the loss of the residential accommodation is outweighed by demonstrable local economic benefits. As such, the proposal does not comply with NPF 4 30(e) part (ii).

### Parking Standards

No car parking and no cycle parking is proposed. This is acceptable as there are no parking requirements for STLs.

The proposals comply with LDP Policies Tra 2 and Tra 3.

### **Conclusion in relation to the Development Plan**

The change of use of this property to an STL will have an unacceptable impact on neighbouring amenity. The loss of the residential accommodation has not been justified. Whilst it is recognised that there is an economic benefit to the City as a whole from the provision of visitor accommodation in this case it does not outweigh the loss of residential accommodation or the adverse impact on residential amenity. The proposal does not comply with the Development Plan policy NPF 4 policy 30(e) and LDP policy Hou 7.

### **c) There are any other material considerations which must be addressed?**

The following material planning considerations have been identified:

#### Emerging policy context

City Plan 2030 represents the settled will of the Council, and it has been submitted to Scottish Ministers for examination. As such, limited weight can be attached to it as a material consideration in the determination of this application.

#### Independent economic impact assessment

An independent economic impact assessment was commissioned by the Planning Service, and this resulted in a report on the Economic Impact of Residential and Short-Term Let Properties in Edinburgh (the Economic Report). This was reported to Planning Committee on 14 June 2023. The Committee noted that the findings of the report are one source of information that can be considered when assessing the economic impacts of short-term let planning applications and that given the report is considering generalities rather than the specifics of an individual case, it is likely that only limited weight can be attached to it as a material consideration when making planning application decisions. The study considered the economic impact of various types of properties in Edinburgh if used as a residential property as opposed to being used for short-term holiday lettings.

The Economic Report shows that there are positive economic impacts from the use of properties for both residential use and short-term let use. The Report found that in general the gross value added (GVA) effects are greater for residential uses than short-term lets across all property types and all areas. However, given it is considering

generalities rather than the specifics of this individual case, only limited weight can be attached to it as a material consideration in the determination of this application.

### Equalities and human rights

Due regard has been given to section 149 of the Equalities Act 2010. No impacts have been identified.

Consideration has been given to human rights. No impacts have been identified through the assessment and no comments have been received in relation to human rights.

### Public representations

No public representations were received in relation to the application.

### **Conclusion in relation to identified material considerations**

Identified material considerations have been assessed above and do not raise issues which outweigh the conclusion in relation to the development plan.

### **Overall conclusion**

The proposal complies with section 64 of the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 as it will preserve or enhance the character or appearance of the conservation area.

The change of use of this property to a short term let (STL) will result in a loss of the residential accommodation and a negative impact to neighbouring amenity. Whilst it is recognised that there is an economic benefit to the City as a whole from the provision of visitor accommodation in this case it does not outweigh the loss of residential accommodation or the impact to neighbouring amenity. The proposal does not comply with Development Plan policy NPF4 policy 30(e) and LDP plan policy Hou 7. There are no material considerations that outweigh this conclusion. The proposal is unacceptable.

## **Section C - Conditions/Reasons/Informatives**

The recommendation is subject to the following;

### **Reason for Refusal**

1. The proposal is contrary to Local Development Plan Policy Hou 7 in respect of Inappropriate Uses in Residential Areas, as the use of this property as a short term let will have a materially detrimental effect on the living conditions and amenity of nearby residents.
2. The proposal is contrary to National Planning Framework Policy 30(e) in respect of Local Amenity and Loss of Residential Accommodation, as the use of this property

as a short term let will result in an adverse impact on local amenity and the loss of a residential property has not been justified.
