

QUESTION NO 5

**By Councillor Osler for answer by
the Convener of the Transport and
Environment Committee at a meeting
of the Council on 21 March 2024**

Question

Much work has been done on making the new bin hubs more accessible for all to use. Can the Convener tell me what analysis has been done on making sure that the new bins can actually be used by all, in particular lifting the lids and placing waste within the units for those with limited mobility or of anyone below a certain height now that there is no foot pedal?
