Description of Proposal

Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: *
(Max 500 characters)

My review relates to the planning permission i had to apply for for my STL. It was planning permission, in retrospect, that i had to apply for and now, after the outcome of the most recent judicial review, i feel i have been misled into having to apply for planning permission and misled into paying £750, in order to obtain a license to continue operating.

Type of Application

What type of application did you submit to the planning authority? *

- Application for planning permission (including householder application but excluding application to work minerals).
- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? *

- Refusal Notice.
- Grant of permission with Conditions imposed.
- No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: * (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

I feel misled into applying for PP for my secondary let. An STL since 2016, no change of use. A small 1 bedroom unit in both a commercial and residential area, main door, no shared access. Registered for business rates, all above board. I am in sole charge of my property. After operating for over 7 years, a continuing good relationship with neighbours, i fail to accept that my STL will now have a materially detrimental effect on living conditions and amenity of nearby residents.

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? *

Yes No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: * (Max 500 characters)

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: * (Max 500 characters)

All documents relating to my STL, safety, fire etc have been already sent to licensing and planning. My immediate neighbour in Rothesay Mews noted his support for my property with yourselves, making a representation. There were no objections from any resident in our street.

Application Details

Please provide the application reference no. given to you by your planning authority for your previous application.

What date was the application submitted to the planning authority? *

13/08/2023

What date was the decision issued by the planning authority? *

Can this review continue to a conclusion, in your opinion, based on a review of the relevant information provided by yourself and other parties only, without any further procedures? For example, written submission, hearing session, site inspection. *
