Review Procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Can this review continue to a conclusion, in your opinion, based on a review of the relevant information provided by yourself and other parties only, without any further procedures? For example, written submission, hearing session, site inspection. *

Yes No

Please indicate what procedure (or combination of procedures) you think is most appropriate for the handling of your review. You may select more than one option if you wish the review to be a combination of procedures.

Please select a further procedure *

Further written submissions on specific matters

Please explain in detail in your own words why this further procedure is required and the matters set out in your statement of appeal it will deal with? (Max 500 characters)

As due to pending legal appeal and questions raised in our appeal document

In the event that the Local Review Body appointed to consider your application decides to inspect the site, in your opinion:

Can the site be clearly seen from a road or public land? *

Yes No

Is it possible for the site to be accessed safely and without barriers to entry? *

Yes No

If there are reasons why you think the local Review Body would be unable to undertake an unaccompanied site inspection, please explain here. (Max 500 characters)

The property has electric locked gates and still operates as a holiday let, meaning any inspection needs to be planned and agreed in advance.

Declare – Notice of Review

I/We the applicant/agent certify that this is an application for review on the grounds stated.

Declaration Name: Mr Bogdan Velica

Declaration Date: 18/01/2024

Dear Sir/Madam,

3 Old Church Lane

We would like to appeal the decision for our Short Term let application, as previously stated on the original application form, this property has been used for a number of years as short term let with no issues. It is a completely self contained, detached property with gated driveway and walled garden. Firstly, the decision to refuse states “as the use of this dwelling as a short term let will result in the loss of a residential property that has not been justified”. What justification would have been acceptable for our property to comply and receive approval? This reason for refusal would mean Edinburgh Council will allow no short term let applications as any approved applications will result in a loss of residential property without exception. If this is the case why allow us to apply and charge a fee? Also what does the recent court case review on the planning and license process mean for our application?
