

QUESTION NO 23

**By Councillor Macinnes for answer
by the Convener of the Transport and
Environment Committee at a meeting
of the Council on 27 June 2024**

Question

The service failure in waste collection has had a significant impact with residents complaining of rotting bins and increased sightings of vermin. Has there been an increase in pest control call outs? Can the convener provide a breakdown of the number of pest control request every week over the last six weeks, and the same five weeks last year?
