

QUESTION NO 19

By Councillor Mowat for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 29 August 2024

When the TRO making changes at Magdala Crescent and to facilitate the CCWEL was made on 12th December 2023 it was agreed that once monitoring of the “Copenhagen style” junctions had been carried out there would be a workshop with residents to discuss:

Whether the concerns residents had raised about junction safety and increases in traffic as part of the TRO process had materialised, or if the predictions of officers that these concerns would not materialise was evidenced and to look at how the area was operating.

Could the Convener answer the following questions:

Question (1) Has the monitoring of the junctions been carried out?

Answer (1)

Question (2) If, yes where has this data been presented?

Answer (2)

Question (3) Further to the traffic counts reported to the Transport and Environment Committee in the Business Bulletin on 15th August where were the counts taken from and is there a split of types of vehicles – car, van, HGV available?

Answer (3)

Question (4) When will the workshop be held to discuss the findings with residents?

Answer (4)
