(Max 500 characters)

change of use from residential property to self catering unit

- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? \*

- Refusal Notice.
- Grant of permission with Conditions imposed.
- No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

## Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: \* (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

I am appealing against the decision made by planning department regarding my change of use application from residential property to self catering unit. I shall allowed to have the planning as my guest are quiet, they fully follow the local rules, they clean all the areas I am responsible for, they manage their waste correctly. Also if neighbors do not want my guests walk in through main door, that can be amended and they can only use the balcony door.

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? \*

Yes  No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: \* (Max 500 characters)

The let does not affect the living condition of other residents. The property has been let since I got a short term license and since then all residents were not affected. Planning department's reasons are inadequate. I contacted Noisy neighborhood and police and no-one reported any noise or inappropriate behavior. Also I visit he site regularly, checking if everyone follows all neighborhood rules and directions-so refusal is based on assumptions that something may happen but has not happened

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: \* (Max 500 characters)

I will add few documents proving my views and supporting my case later

## Review Procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Can this review continue to a conclusion, in your opinion, based on a review of the relevant information provided by yourself and other parties only, without any further procedures? For example, written submission, hearing session, site inspection. \*

Yes  No

Please indicate what procedure (or combination of procedures) you think is most appropriate for the handling of your review. You may select more than one option if you wish the review to be a combination of procedures.

Please select a further procedure \*

Holding one or more hearing sessions on specific matters

Please explain in detail in your own words why this further procedure is required and the matters set out in your statement of appeal it will deal with? (Max 500 characters)

I don't think the simple discussion will be enough as your division based their decisions on assumptions and the fact that someone does not like to have a short term let in their neighbourhood. Edinburgh is a touristic city and all places possible to rent for a visit are fully booked in advance. If someone is surprised that short term lets happen, choosing Edin as their home is a hazard as that is a busy city, with incredible amount of tourists. It's one of reasons I moved here from England

In the event that the Local Review Body appointed to consider your application decides to inspect the site, in your opinion:

Can the site be clearly seen from a road or public land? \*

Yes  No

Is it possible for the site to be accessed safely and without barriers to entry? \*

Yes  No

## Checklist – Application for Notice of Review

Please complete the following checklist to make sure you have provided all the necessary information in support of your appeal. Failure to submit all this information may result in your appeal being deemed invalid.

Yes  No  N/A

Have you provided a statement setting out your reasons for requiring a review and by what procedure (or combination of procedures) you wish the review to be conducted? \*

Yes  No

Note: You must state, in full, why you are seeking a review on your application. Your statement must set out all matters you consider require to be taken into account in determining your review. You may not have a further opportunity to add to your statement of review at a later date. It is therefore essential that you submit with your notice of review, all necessary information and evidence that you rely on and wish the Local Review Body to consider as part of your review.
