2020/23 Communities and Families Grants to Third Parties Programme

2. Executive Summary

- 2.1 This report contains details of the background, how the new programme was delivered and the recommended awards under the new three-year grants programme.

3. Background

- 3.1 In May 2015 the Education, Children and Families Committee agreed recommendations made by the Member Officer Working Group to run a three-year Main Grant Programme (2016-19) and an annual Small Grants Programme.
- 3.2 The Main Grant Programme was delivered with the agreed criteria. However, issues were raised about the assessment and grant allocation process. On this basis, at its meeting of 11 February 2016, the Education, Children and Families Committee agreed to reconvene the 'Third Party Payments Short Life Working Group' to discuss the lessons learned. Edinburgh Voluntary Organisation Council (EVOC) was co-opted onto the group. The group also considered the Small Grants Programme and reported its findings to Committee on 11 October 2016.
- 3.3 A number of changes were implemented to the Small Grant Programme based on the working group's recommendations.
- 3.4 In December 2016, Committee agreed recommendations contained in the [Youth Work Funding 2017-2019](#) report, which agreed awards for eight organisations until March 2019 alongside the development of a participatory budgeting process to award smaller grants to support open access youth work. An update report was presented to Committee at its meeting in August 2017.
- 3.5 In May 2018, Committee agreed to an extension to March 2020. To support the delivery of a new process, this was followed by a further extension to June 2020, for recipients of current grants within the original 2016-19 Main Grants Programme, and the 2017-19 Youth Work Grants Programme.
- 3.6 Adoption of the Integrated Children's Services Plan 2017-20 provided a smaller set of rewritten strategic objectives. On this basis, the amended grants programme required a much sharper focus to ensure achievement against these objectives.

Adoption of the objectives also supports the administration's inclusive vision for the city, specifically, to improve resources for disadvantaged young people and their families

- 3.7 This sharper focus, combined with the work and actions undertaken to develop and deliver the 2020/23 grants programme, has enabled recommendations of awards included in this report, which provide new opportunities to support work that both compliments and supports Council objectives to improve the overall health and wellbeing of young people and their families. Delivery of the improved 3rd Party Grants Programme 2020-23, highlights a commitment to: the delivery of Council expectations; build on feedback from partners; consider previous experience and the lessons learned.
- 3.8 The new process has resulted in recommendations for awards against each of the five identified priorities. Details of the recommended awards is attached as appendix 1. The new grants will run for a three-year period between 1st July 2020 and 30th June 2023.

4. Main report

Development and delivery of the new programme

- 4.1 During 2019, to add to the previous feedback collected and ensure the new programme had clear and widely accepted assessment criteria for each of the priorities, additional engagement across the voluntary sector was undertaken. This included, a survey monkey questionnaire, and citywide and locality consultation events.
- 4.2 The new 3rd Party Grants Programme 2020-23 opened in September 2019 and invited applications from organisations clearly focused on delivering outcomes against one of five identified priorities linked to the Integrated Children's Service Plan.
- 4.3 Each of the five different priorities has specific outcomes expected, a percentage share of the overall budget and a maximum annual award. These are as follows:
- 4.3.1 Improve learning and developmental outcomes for disadvantaged babies, infants, children, young people and their families including care experienced young people. An allocation of 45-55% of the total budget, with a maximum award of £120,000.
- 4.3.2 Improve mental Health and wellbeing outcomes for children, young people and their families. An allocation of 6-8% of the total budget, with a maximum award of £50,000.
- 4.3.3 Support the personal and social development of young people through the delivery of effective universal youth work programmes. An allocation of 28-32% of the total budget, with a maximum award of £100,000.
- 4.3.4 Improve the level of participation in learning opportunities for all secondary school age young people and continue to increase positive destinations. An allocation of 8-10% of the total budget, with a maximum award of £50,000.

- 4.3.5 Ensure that children and young people's health and wellbeing are not damaged by alcohol and drugs through the delivery of effective drugs and alcohol prevention work and substance misuse services. An allocation of 3-5% of the total budget, with a maximum award of £40,000.
- 4.4 Actions taken to improve and deliver the new programme included:
- 4.4.1 the production of two new documents a Programme Overview and Applicant Guidance Notes;
 - 4.4.2 a reviewed and updated application form;
 - 4.4.3 delivery of applicant briefing sessions in four Localities and the city centre;
 - 4.4.4 assessment training for 33 officers;
 - 4.4.5 communications;
 - 4.4.6 a logging and tracking system;
 - 4.4.7 assessment process including moderation when required;
 - 4.4.8 IIA;
 - 4.4.9 Committee report for approval of the recommended awards;
 - 4.4.10 All relevant documentation was made available on-line; and
 - 4.4.11 Finance processes and ongoing monitoring of recipient progress will continue over the life of the grants.
- 4.5 Edinburgh Voluntary Organisation Council (EVOC) and Lothian Association of Youth Clubs (LAYC) were key links and invited to review the information included in the draft guidance documents.
- 4.6 To support applicants a series of Briefing Sessions were provided. One daytime session was delivered in each of the four Localities and one evening session was offered in Waverley Court. Over 100 individual organisations attended. The slides from the Briefing Sessions are attached as appendix 2.
- 4.7 Based on feedback from organisations attending the sessions, the word count for questions 1.1 and 1.2 in the application form was increased from 500 to 750 words.
- 4.9 To assist applicants, the guidance notes and updated application form gave tips on the detailed information we were looking for in each question. The 10 questions in the updated form encouraged and demanded more robust and thought-out applications. The successful bids are those from recipients who: recognise the need to know their communities; listen to young people; can clearly describe the work they will do; the impact it will have; understand the benefits of working in partnership; and importantly, how they will learn, evolve and deliver evidence of progress in the next three years.
- 4.10 Applications closed at noon on 22 November 2019. 196 applications were received from 129 organisations, however ten of these applications were incomplete and therefore 186 applications were taken forward for assessment. All have been recorded on a database to enable analysis and tracking of the processes. Details of

the numbers of applications across the five funding priorities are include in Appendix 3

- 4.11 The assessment involved 32 officers from across Communities and Families. Each assessor received training. Overall the group of assessors completed 558 assessments (three individual assessments of each application). Assessors used the standard scoring process, with responses for each of the individual 10 questions being scored between 0-4, dependant on the quality of information provided in the response. Any application assessed with a question scoring a differential of 2 or more, were independently reviewed by a Moderator.
- 4.12 The budget for 2020-21 of this three-year programme is confirmed at £3,470,712. Applicants have been advised that the level of funding for future years cannot be guaranteed and will be subject to future budget decisions. Award levels have been set at the 2020/21 request figure contained in the application information.
- 4.13 An Integrated Impact Assessment (IIA) has been undertaken and will follow.
- Small Grant Programme**
- 4.14 On account of clashes in the timescales for the main 3rd Party Grants Programme and the normal small grants application timelines, the Small Grant Programme was not run for 2020-21 but will resume for the financial year 2021-22.

5. Next Steps

- 5.1 The 2020-23 Main Grants Programme will commence on 1 July 2020 as described in this report.
- 5.2 The annual Small Grant Programme will next run in the financial year 2021/22.
- 5.3 Each grant recipient will be required to complete a funding agreement that details SMART targets to be achieved by the organisation within the funding period. The achievement of these targets will contribute to an identified Strategic Aim within the Integrated Children's Services Plan.

6. Financial impact

- 6.1 The annual value for the grant awards recommended in appendix 1 totals £3,371,523 which will leave a balance of £99,189 available for the small grant programme in subsequent years.

7. Stakeholder/Community Impact

- 7.1 This report builds on the work and reports addressing the previous Main Grants programme (2016-19) and changes as recommended in the [Lessons Learnt report](#) approved by Committee in October 2016

- 7.2 The funding priorities identified for this grants programme address the needs of vulnerable children, young people and families across the city. Whilst there are no specific geographical allocations being used, it is expected that the bulk of the activity being delivered with awards from this programme will take place in SIMD (Scottish Index of Multiple deprivation) areas 1 and 2. In addition, to spread the benefits across the city, no single Locality will be awarded more than 30% of the total budget available for priorities one and three.
- 7.3 The funding of activity by third parties through grant aid contributes to the Council's delivery of its Equality Act 2010 duty to seek to eliminate unlawful discrimination, harassment and victimisation, and to advance equality and foster good relations.
- 7.4 The awarding of grants to third parties enables the Council to meet Climate Change (Scotland) Act 2009 Public Bodies Duties as well as contributing to the city's Sustainable Edinburgh 2020 objectives
- 7.5 There was engagement involving stakeholders to review the third party grants process throughout 2016. Specifically, this included reforming the Elected Members Working Group and an online consultation with third party organisations. This work resulted in the [Lessons Learnt report](#) approved by Committee in October 2016. Additional engagement was undertaken in 2019.
- 7.6 Additional engagement about the development of the 3rd Party Grants Programme 2020-23 was undertaken in late 2018 and early 2019.

Multiple applications?

- Organisations can submit up to 3 applications - this allows a range of services – each one should address a different 'funding priority'
- Consortiums can submit another one application for a relevant service. Organisations can do this as either a lead, or as a partner in the consortium.
- Therefore, the maximum number of applications per organisation is **four**.
